

CADET-PARENT/GUARDIAN AFJROTC CONTRACT

Cadets who wish to participate in the FDHS AFJROTC must follow these requirements.

Financial Commitment: First year cadets or those cadets transferring in from another school must pay a \$30 activity fee. This fee includes an activity shirt that is required for field trips and community service events. Returning cadets only pay a \$20 activity fee since the activity shirt is not included.

Fee is due NLT **Sept 15** unless different arrangements are coordinated with cadets' instructor. If not paid by the applicable date, the fee increases by \$5 and the cadet will not be allowed to participate in any unit-sponsored field trips, unit parties, picnics, military ball, or team competitions until the fee is paid. Failure to pay the cadet activity fee will create a school obligation and may result in the cadet not being allowed to return to JROTC the following year. This fee helps pay for our Wing Down Day, travel to JROTC sponsored events, and various incidentals.

For unit-sponsored events and field trips especially the Military Ball if the cadet has signed up to attend and the announced cut off day has passed the **cadet is obligated to pay the fee regardless of whether the cadet attends the event or not since the Unit is required to pay in advance.**

Booster Club: Parents are automatically enrolled in our Booster club and are asked to join our Facebook page **FDHS AFJROTC Booster Club** to keep up with events, pictures, and information.

Uniforms, Grooming and Appearance Standards: AFJROTC policy makes it **Mandatory** for cadets to wear the prescribed uniform one day a week. Cadets are required to wear the complete uniform the entire school day (home to school to home). Cadets must coordinate with their instructor to excuse uniform wear for a specific lab or shop class that might soil/damage uniform articles but must put the uniform back on for the remainder of the school day. Cadets are required to wear the uniform and maintain grooming standards as prescribed in Cadet Handbook, hair and nail styling must comply with these requirements. If a cadet is absent on uniform day, they will wear the uniform the following day or the next day they have a JROTC class (even if that day is in the following week) or they will receive a grade of ZERO. If a cadet changes out of uniform during the school day without permission, the cadet will receive a grade of 10. Uniform wear each week is a graded test and is the largest percentage of your overall JROTC grade. Habitual failure to wear the cadet uniform is grounds for disenrollment from the AFJROTC Program. In uniform, no body piercings (nose/eyebrow) that detract from the uniform, learning environment and/or good order and discipline. Uniform items are US Government property; cadets must return each item to AFJROTC in good condition at the conclusion of their time in JROTC. The unit will assess a financial obligation for the cost of each missing or unserviceable item, beyond normal wear and tear. It is each cadet's responsibility to keep their uniform clean for weekly inspections and other activities requiring uniform wear. With the exception of ABUs, all uniform items **MUST be dry-cleaned** prior to return. **DO NOT wash, ONLY dry clean.**

Attitude and Conduct: All cadets will always conduct themselves in an exemplary manner, both in and out of AFJROTC, following school rules and showing respect to all teachers and fellow students. The following list is some actions that could result in a student's removal from the AFJROTC program:

- 1) Violation of the cadet honor code/poor attitude detrimental to the program
- 2) Repeated failure to participate in physical training or class activities.
- 3) Failure to follow directives of the Instructors and or Cadet Leadership.
- 4) Excessive school discipline actions (ISS or OSS); cadets must be on their best behavior both in and out of the JROTC classroom.
- 5) Failure to wear the uniform on the prescribed day more than **three times**.
- 6) Inability to meet uniform wear/physical training requirements or participate in unit activities due to extended homebound status.

The unit may also bar a cadet dis-enrolled from the program from returning to AFJROTC the following year. The SASI will consider each student's request to return on a case-by-case basis.

Physical Training (PT): Cadets must be capable of marching and reasonable physical activity. Cadets are required to dress out for PT to include appropriate footwear and will have plenty of time to change at the beginning and end of class. All cadets must participate in PT unless temporarily medically excused by a doctor in writing.

Fundraising Policy: The unit may conduct fundraisers throughout the year to support various programs to benefit our cadets. Participation in these fundraisers is completely voluntary.

CADET: I have read and understood the requirements listed above. I agree to follow these requirements to the best of my abilities, and I understand that participation in the AFJROTC program is not a right, but a privilege.
