Students Entering  
Middle School Grades 6-8

**Paterson Public Schools**  
**Middle School Summer Reading Assignment**

**(Students entering Sixth, Seventh, or Eighth Grade)**

Dear Parents/Students,

All K-12 students attending the Paterson Public Schools will have the opportunity to select books that they are interested in and motivated to read during the summer. Our aim is to keep students connected to reading habits and comprehension skills that were introduced during the school year, with the ultimate goal of building a love for reading within your child.

For our incoming sixth, seventh, and eighth grade students, your child should be reading at a “just right” reading level. This level is where your child can read comfortably with fluency and understanding. In order to maintain the reading growth your child has achieved this school year, we are suggesting that your child read books independently throughout the entire summer. A list of book suggestions for each grade level is attached, but any text can be read as the goal is to ensure that students continue reading throughout the summer.

Learning Ally, is an audio book resource that your child has used throughout the school year and is accessible during the summer. Reading books using this resource will allow your child to also accumulate points in their national contest and be provided a chance at winning a digital gift card. Learning Ally can be accessed through Clever on your district issued Chromebook. We have listed the shelf number of the books on the suggested title list for ease of use and many titles have already been added to your child’s bookshelf to support summer reading, but you can add any books of interest to the bookshelf as well.

While reading we are asking that your child keep a reading log of the books read. The reading log should be submitted to your child’s teacher in September.

Additionally, we encourage you to get a library card for Paterson Public Library by visiting [www.patersonpl.org](http://www.patersonpl.org). By obtaining a library card you can borrow audiobooks, ebooks, magazines, movies and music for ANY age, 24/7!

For more detailed information, please review the packet to best prepare your child for success in their reading journey or visit our district website [www.paterson.k12.nj.us](http://www.paterson.k12.nj.us).

Wishing you a wonderful summer filled with reading that brings us “All Together Now: Todos Juntos Ahora.”
