

Reporting Code of Conduct Violations

Option 1: Anonymous reporting of violation(s) can be completed through our Safety Tipline Online Prevention (S.T.O.P.)

This link is located on our Menifee County District website <https://www.menifee.kyschools.us/> and is the first option under the “Quick Links” section of the home page.

Option 2: If a student feels they need to report bullying or any other violation, they can do so to a trusted adult within the school. The adult will then document the incident on the “Bullying Reporting Form” (09.422 AP.21) This form is located in Staff Google Classroom and on the district website. To access the form via district website, go to **Quick Links Section-District Policies and Procedures-Search Manual at the top right-Search “Bullying”-under procedures select “Bullying Reporting Form”**. After adult has documented the incident, it should then be passed to the Principal/Admin designee for further investigation.
