The Mission of Gull Lake Community Schools is to educate every child to achieve his/her full potential.
Superintendent Message

Dear Gull Lake Families and Community,

As we enjoy the warm weather coming our way, much of our learning will be taking place outside the walls of our classrooms and offices. There are many opportunities to get outside and explore the surroundings and to experience the natural rhythms of our beautiful Michigan summers. Whether you choose a local destination or travel further afield, we are blessed to live in a place that offers an endless variety of healthy activities.

Visiting your local farmers markets and stocking up on fresh and affordable produce is a great way to stay healthy and fit for all the summer fun you have planned. Reducing processed foods and increasing your family intake of nutrient dense fruits and vegetables is an attainable goal that brings immediate results and will have everyone in your household energized for the next round of activities.

Some of my favorite spots for simple and accessible activities are:

• Ross Township Park and beach – Take a towel and a picnic basket, jump in and cool off.
• Sherman Lake panfishing – Grab a few worms and bobbers and fish from the dock or a kayak.
• Fort Custer hiking and biking – Bring bug repellant and keep moving!
• Visit the Wednesday Farmers Market at the Richland Area Community Center and check out the arts and crafts as you load up on fresh produce.
• Stoke a small campfire for s'mores and storytelling. Make sure to follow fire safety protocols!

These are just a few of the fun outings available in our area, so get creative and check with your neighbors to find those hidden gems you can add to your summer itinerary.

Here’s to endless summer days with family and friends!

Raphael Rittenhouse/Superintendent
Gull Lake Community Schools

Headlee Rollback
(Non-Homestead Property Tax Only)
(Homeowners’ Primary Residence Exempted)

• When property values increase at a rate higher than inflation – Headlee is triggered.

• Headlee requires that the operating millage be reduced to 17.7769 mills which is .2231 mills short of the full 18.00 mill levy required for the District to receive the full revenue per Pupil Foundation Allowance.

• If the 17.7769 mill levy is not restored to the full 18.00 mills, the District will receive approximately $125,000 less revenue than the full foundation allowance, this shortfall will continue or increase in future years if additional Headlee Rollbacks occur.

• Foundation Allowance of $9,150 per pupil is based on the assumption that the district levies the full 18.00 mills.

• Non-homestead property tax levied on all property except principal residence and other property exempted by law (qualified agricultural, qualified forest and industrial personal).

August 8, 2023 Election
This summer Gull Lake Community School Families have the opportunity to extend learning at home by reading together for twenty minutes each day. Regular reading helps students maintain reading skills and prevent “summer slide” where they may lose some of the progress made during the school year. Reading aloud together encourages language development, enhances vocabulary, and improves communication skills. The shared process of storytelling engages all in conversation within the household about the books that are read, while fostering effective communication that broadens understanding of our language.

Parents and caregivers have the opportunity to partake in an activity that is enjoyable, strengthens relationships, builds trust, and creates lasting memories. Exploring different genres, understanding different points of view, and asking questions are all ways to enhance the literacy experience. This summer I hope families pick up a good book and share time together to support both the educational and personal development of our students.

#GoGullLake, #GLCSread20

---

49th Annual
Richland Art Fair

Gull Meadow Farms
8544 Gull Rd
Richland, MI

Saturday, July 15, 2023
9:00 a.m. - 4:00 p.m.

Check us out on Facebook
For more information go to www.GLACV.org

Save the Date!
The GL Area Community Volunteers are sponsoring the 49th annual Richland Art Fair on Saturday, July 15th at Gull Meadow Farms. Spend a few hours with us and purchase some unique items for yourself or to give as gifts. Artists will be selling their beautiful jewelry, ceramics, photography, watercolors, stained glass, and so much more. A raffle drawing will be held for pieces of art donated by the artists themselves and food will be available to purchase this year through Catering by GMC. We look forward to seeing you!

Proceeds from the Richland Art Fair help the GLACVs provide many programs and services to those in need in the GL community. If you are interested in obtaining more detailed information about our non-profit organization, visit our website at GLACV.org.

Congratulations to our Scholarship Winners!
We would like to congratulate the recipients of the GLACV’s scholarships, Kennedy Abegg and Amanda Meinert. These young ladies volunteered countless hours of their time and demonstrated exemplary volunteerism in their community. Thank you for helping to make our community a better place, we wish you all the best in the years to come!
The Richland Elementary second graders took the stage at the GL Center for the Fine Arts to perform their musical “Go Galileo!” The performance was not only a wonderful way to showcase their musical talents, but also provided just one example of how music allows us to teach multiple subjects at the same time. Thank you to Mr. Hoover for bringing back such an amazing opportunity for our second graders!

**Kids Heart Challenge**

Richland students were given the opportunity to silly string Mrs. Buckmaster and Mr. Lecceadone if they met their goal for the Kids Heart Challenge. Overall, students and families raised an amazing $15,459.71 this school year for the Kids Heart Challenge! Thanks, Team Richland!

**Growing Readers at Richland Elementary**

Mrs. Ruge unveiled the new book vending machine in the Richland Elementary Library. All the outgoing 2nd grade students received a book to “keep keep,” as kids call it. For the 2023-2024 school year all Richland students will be selected as Mystery Library students to receive a free book from the vending machine. Students were so excited to see all the fun books that they could get with a token in the coming years. Thank you to Mrs. Ruge for saving up funds to purchase the vending machine to give more books to students!
Exploring in STEAM Class

This year, first and second graders have been eagerly exploring computer science. Through the hands-on activities of the PLTW curriculum students in STEAM class learned to write programs using code, both with and without digital devices. Next year kindergarten and young fives students at both elementaries will be joining Mrs. Bakken in the STEAM lab too!

Amazing Times in First Grade!

May was full of many exciting events including a field trip to the Kellogg Bird Sanctuary, raising painted lady and monarch butterflies to release into nature, and many more hands-on activities!

Trip to the Zoo!

Kellogg’s kindergarten and young fives students took a field trip to the Binder Park Zoo. Students toured Wild Africa, fed giraffes, observed lions snacking and playing, and much more!

Kids Heart Challenge

Kellogg students raised just under $13,000 for the American Heart Association this Spring! All students who met their personal goal were invited to celebrate by spraying PE Teacher Mrs. Tucker with silly string!
On behalf of our Ryan Intermediate staff, we want to thank all of our parents and the many community volunteers that have contributed to another successful school year. We hope you enjoy a fun filled and safe summer.

Sincerely,
Rob Woodrow
Richland Elementary Principal

Literacy Night

Our students were able to enjoy a Scavenger Hunt, Pizza Dinner provided by the PTO, StoryWalk®, Book Fair, Photo Spot, and Book Tasting. Our local public libraries were here to share their amazing summer reading programs as well. What a great community night!

3rd Grade Field Trip to Charlton Park

While at the park, students were able to participate in activities and see what it was like to live in a 19th century Michigan community.

5th Grade Field Trip to Sherman Lake YMCA Outdoor Education Center

All 5th grade students participated in archery, rock climbing, swimming, canoeing, and a host of other outdoor activities! Thank you Sherman Lake for a great week of camping.

4th Grade Field Trip to Air Zoo

Students had the opportunity to explore the Air Zoo and learn about the evolution of aviation.
Bond Work Update
The middle school received new windows this past year as a part of the bond work. In addition, the locker rooms are presently under renovation. This summer the north half of the building will get new flooring and the south half of the building will get new electrical installed. Thank you to the community for your commitment to GLCS!

It Takes a Village
GLMS launched a trimester elective class this year focused on Career Awareness. 7th and 8th grade students can elect to learn more about career pathways and hear from a variety of speakers about their jobs. We were lucky to have local folks join the speaker series this spring. Travis Jager from Compass PT, Marie Bell from Rise Therapy, and Marie’s intern were able to speak to two classes about their careers as Physical Therapist and Occupational Therapists. We are grateful to these local Richland business owners and health care providers for taking time to share their career journey with our Growing Learners.
GLHS NHS Supports Roof Sit Tips for Kids Drive

Community Healing Centers held their annual drive to support their nonprofit programs. The goal of the campaign is to prevent and treat child abuse and neglect in Kalamazoo County. Great work to the 2022/2023 NHS students that collected over $3,000 in donations at the Shell Gas Station on Gull Road!

2023/2024 NHS Induction Ceremony

The 2023 National Honor Society Induction Ceremony occurred May 19th in the GL Center for the Fine Arts. We welcomed the 2023/2024 inductees and honored the graduating seniors. Thank you to the seniors for their service and hard work, especially our graduating officers: Amanda Meinert (President), Kennedy Abegg (Secretary), and Dominic Roudabush (Historian). Charlie Waldorf will be taking over next as our incoming President.
GLCS FINE ARTS

The GLHS PAC season starts off this fall with \textit{Trap} by Stephen Gregg. This documentary-style play brings the strange events of one California town to life by reenacting witness interviews, news stories, and investigative information. The play is sure to be quite different from most plays you’ve seen.

The winter season will bring \textit{The One-Act Play That Goes Wrong} by Henry Lewis, Jonathan Sayer, and Henry Shields, which has been a hit in London and on Broadway. It’ll be an hour of hilarity and is sure to delight!

In the spring, PAC will perform the Tony-winning play \textit{Peter and the Starcatcher} by Rick Elice. This play with music explores how one orphan became The Boy Who Would Not Grow Up. Come be charmed by this imaginative piece with just the right blend of humor and heart!

The PAC is a student-centered theatre group. Our students work on every aspect of the production, including stage management, set, lights, sound, costumes, hair and makeup, props, media and publicity, and acting. For more information or to get involved, contact Lisa Ouellette at LOuellette@gulllakecs.org.

With the end of the school year, we would like to share the projects we were able to support during the 2022-2023 school year with grants totaling $14,677.

- Contributed to the purchase of a Steinway Grand Piano for the GL Center for the Fine Arts
- Funded the purchase of portable racks to store and transport band uniforms for the GLHS Marching Band
- Provided funds to the GLHS PAC to pay the royalties for their spring production of \textit{Clue}
- Contributed to bringing in guest Spoken Word Artist Patrick Foley
- Funded the pre-concert reception to celebrate the Steinway
- Awarded the GLCS Robin Nott Performing Arts Company and GLCS Fine Arts Foundation Scholarships
- Aided GLHS PAC members to participate in a trip the Stratford Shakespeare Festival

Please consider joining us for a Meet and Greet in August and for our monthly meetings during the school year. For dates and additional information, please follow us on Facebook or send us an email at GLCSFineArtsFoundation@gmail.com.

2023 Senior Athletic Award Winners

Each year at our Senior Honors Program we recognize three male and three female athletes with prestigious awards. This year we presented the following awards:

**Sue Foster Leadership Award Recipients**
- Tariku Klipsch
- Amanda Meinert

**Scholar Athlete of the Year Award Recipients**
- Adam Boyle
- Claire Flynn

**Athlete of the Year Award Recipients**
- Isaac DeVisser
- Sophia Martins

Get Prepared for the 2023-2024 School Year

The 2023-24 school year will be here before we know it! Make sure you have your student ready to participate in athletics. All students entering grades 6-12 are required to have a valid sports physical, one that is done on or after April 15, 2023, on file with our athletic office.

In order to participate in any school athletic program the student MUST be registered through PlanetHS.com. If your student participated in a school sport this year they already have an account. Simply log into their account, select the sports they would like to participate in next year, and then upload their new physical form. To sign your student up for a sport, register on PlanetHS.com and select their desired sports. Once signed up they will begin to receive information regarding that sport.

Listed below are the fall sport start dates and coach contact information. Access all of this information and stay up to date at www.GoGLBlueDevils.com.

**GLHS SPORTS**

All high school sports begin Monday, August 7. Please contact the coach listed for specific tryout/practice times and summer training, or refer to our website.

- **Football:** Don Eastman, deastman@gulllakecs.org
- **Cross Country:** Robin Blackburn, rblackburn7@gmail.com and Ken Fouts, ken.fouts@icloud.com
- **Boys Soccer:** Jeff Corstange, jeffcorstange@gmail.com
- **Boys Tennis:** Roger Cornelius, rogercornelius@aol.com
- **Girls Volleyball:** Eric Belz, ebelz@gulllakecs.org
- **Girls Golf:** T.R. Walters, twalters@gulllakecs.org

**GLMS SPORTS**

- **Girls Volleyball**
  - Tryout Dates: August 28, 29, 30 (must attend all three dates)
  - Coaches: Laurie Klok, lklok@gulllakecs.org and Katie Dollman, katie@mei.net
- **Boys/Girls Cross Country**
  - First Practice: Monday, August 21
  - Coach: Brendan Howard, bhoward@gulllakecs.org
- **Football**
  - 7th and 8th grade
  - First Practice: Monday, August 21
  - Coach: Josh Cunningham, jcunningham@gulllakecs.org
- **Sideline Cheerleading**
  - 6th - 8th grade
  - First Practice: Tuesday, August 8
  - Coach: Tessa Muday, coachtessamuday@gmail.com

Sports Physicals - Thursday, August 3

Not able to get to the doctor to get your sports physical for next year? No worries! Ascension Borgess of Richland will have a team on hand here at GLHS on Thursday, August 3, 2:00 - 6:00 pm to conduct sports physicals for all our students. If you do not have a parent present then you must have all consent forms previously signed. The cost is $30 and you can find the sports physical form on our website.

Summer Facility Renovations

This summer our turf field and track will be getting replaced. Construction is set to begin as soon as school is out and will continue all summer long, therefore the facility will not be available for use. We apologize for any inconvenience, but are excited for the upgrades!
If you’ve visited Liz’s Parkview Cafe or stopped by the Administration Office, you will see our Student Of The Month listed on the letter board at each location. The Student Of the Month is selected due to his/her academic achievement, attendance, and positive attitude. Each student received a $50 gift certificate, courtesy of Liz’s Parkview Cafe. We’d like to congratulate the following students for being chosen as our Student Of The Month:

March: Alex Fain
April: Payton Bergstresser
May: Cai Fournier

OTHER SCHOLARSHIP RECIPIENTS ARE ON PAGE 17 OF THE COMMUNICATOR.

Pictured is Nya Higley and Kasey Gambee, recipients of the Lambert Family Scholarship Award in the amount of $1000.

Pictured is Kasey Gambee and Alex Fain, recipients of the Tru2U Counseling Grate in the amount of $500.

**BOARD OF EDUCATION MEETINGS**

Parents and all other community members are encouraged to attend school board meetings on a regular basis. Meetings are held on the third Monday of every month at the Thomas M. Ryan Intermediate School Media Center at 7:00 pm, unless otherwise indicated. Upon request to the Superintendent, the District shall make reasonable accommodation for a person with disabilities to be able to participate in the meetings. Official minutes of each school board meeting are available for public inspection at the Superintendent’s office, 10100 East D Avenue, Richland, MI 49083, or may be accessed on the school website: www.gulllakecs.org.

**FREE BREAKFAST AND LUNCH THIS SUMMER!**

The FREE meals served at Meet Up and Eat Up follow USDA nutrition guidelines, and the benefits are endless! The nutritious meals served at the sites can provide a balanced diet to children and help fuel them over the summer to start the next school year off strong. We encourage fun, physical activity, games, and reading books. Meet Up and Eat Up is a great way to make friends, eat nutritious meals, prepare for the school year, and of course, HAVE FUN!

Free meals will be made available to children 18 years of age and under or persons up to age 26 who are enrolled in an educational program for the mentally or physically disabled that is recognized by a State or local public educational agency. The meals will be provided without regard to race, color, national origin, age, sex, or disability, and there will be no discrimination in the course of the meal service.

**WHERE**
Kellogg Elementary 9594 N. 40th Street Richland, MI 49083

**WHEN**
June 19, 2023 – Aug. 11, 2023 Monday through Friday

**TIME**
Breakfast: 8am - 9:30am Lunch: 11:30am - 1pm

Call (269) 548-3550 for more information.
