LAS Links Fall User Meeting

Tuesday, October 25, 2022

9:00am-10:30am

The user meeting will take place virtually.

Description:

The LAS Links Users Meeting will review how to access reports available shortly after test completion. There will be two interactive practice activities: one to support MTSS-level of interventions based off of the proficiency level of students by domain and strand, and another to identify which interventions can be integrated to support student growth. The final portion will be an open Q and A to review any questions and open up for discussion to support best practices.

Agenda:

- Generate the Batch Download Reports within DRC INSIGHT
- Interpret and analyze the Batch Download Reports within DRC INSIGHT
- MTSS Model
- ***Practice Activity***
- Access the Classroom Lessons within DRC INSIGHT and the LAS Links Instructional Strategies to strategically support intervention
- ***Practice Activity***
- Q & A
