Keep in touch over the summer

Have you joined the VAIS Facebook Groups?

Current and incoming families are welcome to join "VAIS Parents Group" on Facebook. We will be posting summer events and pop-up playdates in this group. This is also a great resource for new parents/guardians to ask any questions they may have. Another resources for incoming parents is <https://www.vaisverona.org/home/incoming-parents> . Alumni families are welcome to join the "VAIS Alumni Parent Group" Facebook Group.

Popsicles with the Principal at the VAIS Playground

Please join us Monday, August 14th 5:30-6:30pm for Popsicles with Principal Sally Parks at the VAIS Playground! The August Governance Council meeting will begin at 6:30pm after the conclusion of the event.

A Letter from Ms. Shawl

Dear NCS & VAIS Families,

I wanted to share some news with you. Next year, I will be moving into a part-time school social worker role at Core Knowledge Charter School. While I look forward to the opportunity to work part-time, I will truly miss working at this site with our amazing students and staff. It has been a pleasure to get to know and teach all of your students and to meet and partner with so many of you all in my time at NCS & VAIS. Thank you, families, for being so supportive of our charter schools and staff.

I won't be far away, so rather than saying, "Goodbye," I will say, "I'll see you around!"

Sincerely,

Ms. Shawl

Saying Good-Bye to Staff

This is always a time of year where we have to say good-bye to staff who have done so much for our students. We appreciate their hard work and wish them well on their future endeavors!

Katie Castillo, speech pathologist

Makayla Fischer, school psychologist

Kelly Gullett, special education teacher

Lauren Shawl, social worker

Sunshine Committee Thank you!

Thank you to our Sunshine Committee Volunteers! We had 21 families who were poised and ready to share sunshine in moments of need for our NCS/VAIS families this school year. All needs were responded to with great speed and care, and I can't thank you all enough for making this possible! A special thanks to our incredible chairpersons for supporting our committee with their warmth, responsiveness, and administrative strengths.

Reading Corps Tutor for '23-'24

This is an Americorps program that trains reading tutors to work with students in grades K-3. NCS and VAIS will have a part-time tutor this coming year. This person will be supported with an internal coach. Other VASD schools have worked with Reading Corps and see positive results. This will be a good support for our students.

Leaving for the '23-'24 School Year?

It is important to let us know if your current kindergarten through fourth grader is not planning to attend VAIS for the '23-'24 school year. We are unable to work on filling open spots until a family officially withdraws from the school through the registrar's office. Our charter school enrollment works differently than neighborhood schools due to the lottery so, it is important for us to know as early as possible. Please contact the VASD registrar at: 608. 845.4360 or reg@verona.k12.wi.us to complete this process.

Have you created your **Parent Portal** access for Powerschool yet? Do you need any help in setting this up? Please Call Miss Amelia at 608-845-4504 and we can send you fresh instructions or we can walk through it together. This is the only way to sign up for summer school, so thanks for tackling this. The first instructions were sent in February, reminder letters are being sent at the end of March, and phone calls will roll out in April.
