August 2020

To Parents and Guardians:

As the 2020-2021 School Year approaches we would like to bring to your attention that New York State has not granted any immunization exceptions due to COVID-19. All students will be required to comply with New York State Public Health Law Section 2164, which requires certain immunizations for students to attend school and to enter Kindergarten.

All students must be up-to-date with required immunizations in order to attend school, **whether attendance be virtual, blended (hybrid), or in-person.** Per New York State Law, a student shall not be permitted to continue to attend school for more than **14 days** without a parent or guardian providing the school with documentation of proof of immunization.

Please also be advised that New York State no longer recognizes Religious Exemption to vaccination.

At this time we ask that parents and guardians reach out to your Pediatrician to verify that all required immunizations have been administered, and please feel free to contact your school nurse with any questions or concerns.

Sincerely,

Millbrook Central School District School Nurses

Sarah Wertz, RN-BC  
Elm Drive Elementary School Nurse  
845-677-4225 Ext. 5104
