Staff User Agreement

As a user of the Millbrook Central School District's information technology resources (including computers, networked information resources and Internet access), I have read and understand the attached District policies (4526, 4526.1, and 8630) and administrative procedures. I agree to comply with the attached policies and regulations for communicating over the network in a responsible manner while honoring all relevant laws and restrictions. If I violate any of the provisions of the policies and/or procedures, I understand that I may have my network access suspended or revoked; that I may be subject to disciplinary action consistent with law and applicable collective bargaining agreement; and that if I engage in a suspected illegal or criminal activity while using the network, I may be referred to the appropriate law enforcement agencies. I further understand that some materials on the Internet may be objectionable and not appropriate for educational purposes. I accept responsibility for using the Internet for strictly educational purposes and conveying these standards of use to my students when selecting, sharing or exploring information and media.
