
Honors Implementation Update

— November 10, 2022 —

Timeline Presented in October

R. Roger Rowe Middle School Honors Program Timeline

September 2022	October 2022	November 2022	December 2022
<ul style="list-style-type: none"> ● Early September - Received Board Request ● 9/16/22 Math Collaboration meeting with San Dieguito Union High School District leadership. ● Math Collaboration with SDUSD Math/Advanced Studies Leadership ● Math Collaboration with SDCOE Math Leadership ● 9/28/22 ILT Met - Guiding Questions: <i>What does providing challenges to students demonstrating mastery look like on a unit level? What does providing supports to students working toward mastery look like on a unit level?</i> ● ILT members led department meetings to flesh out how to provide challenges to students who are demonstrating mastery and supports to students working toward mastery. 	<ul style="list-style-type: none"> ● Instructional walkthrough in K-8 mathematics with consultant from Teachers' Development Group. ● 10/11/22 Math Collaboration meeting with San Dieguito Union High School District leadership to collaborate on pathways and curriculum for mathematics courses. ● 10/12/22 ILT will meet to discuss aggregating the data from department teams on how to provide challenges to students who are demonstrating mastery and how to provide supports to students working toward mastery. ● Math Collaboration with SDUSD Math/Advanced Studies Leadership ● Math Collaboration with SDCOE Math Leadership ● 10/26/22 ILT will meet to plan next steps for providing challenges to students who are demonstrating mastery and providing supports to students working toward mastery. ● Teacher Professional Development by content area 	<ul style="list-style-type: none"> ● 11/9/22 ILT will meet to develop unit level modules with more complex tasks <i>and</i> plan scaffolds and supports for students working toward mastery. ● ILT members will lead department meetings to flesh out the modules with more complex tasks and to plan scaffolds and supports for students working toward mastery. ● Math Collaboration with SDUSD Math/Advanced Studies Leadership ● Math Collaboration with SDCOE Math Leadership ● 11/16/22 ILT will meet to continue to develop unit level modules with more complex tasks <i>and</i> plan scaffolds and supports for students working toward mastery. ● 11/30/22 Math Collaboration meeting with San Dieguito Union High School District leadership to collaborate on pathways and curriculum for mathematics courses. ● Teacher Professional Development by content area 	<ul style="list-style-type: none"> ● 12/7/22 ILT will meet to discuss recommendations to the Board. ● Board Meeting Present Recommendations for Advanced/Honors Program

Progress Made

- Collaboration with Instructional Leaders in San Dieguito Union High School District, San Diego County Office of Education, and San Diego Unified School District
- ILT led department work in identifying practices for challenging students showing mastery and replicating those practices throughout departments, as well as grade level collaboration
- Review of local private school programs
- Review of on-line program options as possible bridges in January
- Planning meeting at RSF with SDUHSD Instructional Leaders (November 14)

Decisions to be Made

- Desired student outcome
- Curriculum to be used: print vs. digital, program(s) for purchase
- Supplant current coursework vs. additional coursework
- End of course assessment
- Honors designation to be received
- Long-term course plan starting 23-24 and master schedule implications
