

## Lower School Substitute Teacher

Stratford Academy seeks substitute teachers who are dedicated to educating elementary children.

Stratford Academy is known for having a tradition of academic excellence. The substitute teacher will build upon our strong heritage by incorporating pedagogical practices that increase student engagement during learning.

Lower School Substitute Teacher Description:

- Will provide meaningful instruction to students in assigned classrooms while the regular teacher is absent.
- Will review and implement the regular teacher's routines, procedures, lesson plans and curriculum objectives.
- Will be responsible for establishing and maintaining a safe and orderly classroom environment and reporting any student injuries, illness and discipline problems to the school administrator.
- Will perform any other duties as directed by school administrator.
- Will supervise students in the cafeteria, playground, assemblies, hallways, field trips and any other school activities.

The ideal candidate is a collaborative individual who loves educating students and possesses the following qualifications:

- A love for children, teaching, and learning
- Promotes the greater good of the school community.

*Applicants should send a resume and letter of interest to Dr. Grace Simmons, Head of Lower School*
