## October Happenings

As far as school months go, October is always one of the busiest months. There is much to celebrate, not the least of which is having so many of our students back in school! Many students who were learning remotely for the first nine weeks will return to on-campus learning Tues., Oct. 13. And we couldn't be more thrilled!

October is Dyslexia Awareness Month, National Bullying Prevention Month and National Principals Month. Then there is Fire Prevention Week, National School Lunch Week, National Red Ribbon Week and Make a Difference Day. Phew!

October will see four Varsity home football games in a row, so get your bleacher chairs and blankets ready! More information on football games on the following pages.

# Football Tickets

## UIL Guidelines:

The capacity limit for athletic venues is currently set by the UIL at 50%. (The Governor's announcement Sept. 17 regarding expansion to 75% does not apply to athletics at this time). In order to meet these requirements, the following procedures will be in place effective immediately.

## Varsity Football Games

Varsity football tickets will ONLY be sold through an online ticketing system. There will not be ANY tickets for sale at the gates on game night. All Friday night student participants including football players, cheerleaders, dance team, band, colorguard, and JROTC will have an opportunity to purchase up to 4 tickets per student before the general public. Any tickets that are not purchased by student participants will then be available for sale to the public (including employees) at the website listed below.

## Sub-Varsity Football (Freshman, JV and junior high); and Volleyball (Varsity, sub-varsity and junior high)

Tickets will be for sale at the door/gate only. There will not be an online ticketing process for anything other than varsity football. Tickets will no longer be available to purchase at campuses.
