Sheet No.

## Meeker Field and Building Access Picture Index

1

The south side entrance (5th Ave SW) is the only entrance that is ADA accessible. For field access, continue to the end of the south side wing.

2

If you are already on the sidewalk, enter the asphalt play area on 5th Ave SW for field access. However, if you are entering from the street note that the curb cut does not meet all ADA standards.

3

Once on the asphalt play area, keep right and enter the field through the opening near the big toy play pit.
