OLENTANGY SCHOOLS BOARD OF EDUCATION TO INTERVIEW FINAL SUPERINTENDENT CANDIDATES

The Olentangy Schools Board of Education will meet in a special session Thursday, May 11 at 6:00pm at the Olentangy Administrative Offices for second round interviews of two superintendent candidate finalists.

"Selecting the new Superintendent of Olentangy Schools is an important responsibility that the board does not take lightly," shared Board President Kevin O'Brien. "Our search began by laying a foundation of characteristics our community would like to see in a candidate pool, which involved focus groups with 190 participants and collecting 1,321 feedback responses through a community survey. After 30 days, we received applications from 13 candidates; five of whom were semifinalists. Both of our two finalists present a unique set of strengths that will serve the district well going forward."

The two finalists are:

- Dr. Joseph Clark, Superintendent of Nordonia Hills City Schools and Professor at the American College of Education. Dr. Clark has also held Assistant Superintendent positions at Kent City Schools and Barberton City Schools.
- Mr. Todd Meyer, Chief Operations Officer of Olentangy Schools, and the principal to open Olentangy Orange High School. Mr. Meyer also opened Westerville Central High School and was the Executive Director of Secondary Curriculum and Instruction for Westerville City Schools.

It is anticipated that the new superintendent will be announced May 15 and begin the role by August 1, 2023.
