**DISPATCH MEDIA GROUP NAMES OLENTANGY SCHOOLS A WINNER OF THE  
COLUMBUS TOP WORKPLACES 2022 AWARD**

Olentangy Schools has been awarded a Top Workplace 2022 honor by The Columbus C.E.O. Magazine Top Workplaces. This is the District's fourth time receiving the biennial award (other years include 2016, 2018, and 2020). Olentangy Schools is one of only 73 organizations included on this year's list, which was announced in the May 2 special section of The Dispatch Media Group.

"We are very proud to be named a Columbus Top Workplace again because it is awarded solely based on our employee's gratification working in Olentangy," shared Chief Operations Officer Todd Meyer. "In order to facilitate maximum learning for every student, Olentangy must be a very special place to work in order to attract and retain the top teachers, administrators, and staff that fulfill our mission with over 22,000 students across the district."

Employee feedback was gathered through an anonymous third-party survey administered by employee engagement technology company Energage, LLC. The survey measured 15 cultural drivers that are critical to the success of an organization, including alignment, execution, and connection.

"Companies need to authentically represent their brand to job-seekers," said Eric Rubino, Energage CEO. "The employee experience needs to be on the mission-critical list. Leaders who embrace a people-first culture will benefit greatly. By giving employees a voice and showcasing your authentic culture through employer branding, organizations can attract those job seekers who complement their culture. Culture drives performance."

Olentangy Schools employs over 3,000 staff members in full-time, part-time and substitute capacities. Employment opportunities can be found on the [Human Resources webpage](#) of the district website.
