### **OLENTANGY SCHOOLS NAMES PRINCIPAL FOR OLENTANGY BERLIN MIDDLE SCHOOL**

Olentangy Schools is pleased to announce Nathan Davis as principal of the district's newest middle school, Olentangy Berlin Middle School, opening Fall 2023.

Mr. Davis brings 17 years of experience in education to the role. He taught, coached and advised students at the middle school level for 13 years, including roles as Athletic Director and Dean of Students. Mr. Davis came to Olentangy in 2018, and has helped to lead Olentangy High School as an assistant principal over the last four years.

Upon acceptance of the position, he shares "I look forward to building a community of learners that are focused on getting better every day, and partnering with our parent community to make it happen. We will honor the traditions and experiences that students anticipate in middle school and build new traditions together."

"Olentangy Berlin Middle School will open in time to relieve overcrowding in our middle schools," states Superintendent Mark Raiff. "We are thankful for the continued support of our community that allows us to offer continuity with our programs, maintaining our outstanding middle school experience for students.

"A student's middle school years are imperative to their academic and personal growth. We are confident that with Mr. Davis' leadership, experience, and commitment to our mission, the future Berlin Middle School students will flourish," finishes Mr. Raiff.

Olentangy Berlin Middle School is part of the ballot issue that passed in the spring of 2020, responding to the exponential growth in the Olentangy school district and Delaware County. The school is located south of Olentangy Berlin High School on Piatt Road, and north of Cheshire Elementary along Glenmead Drive. The school largely resembles the layout of Olentangy Berkshire and Hyatts middle schools, with slight adjustments to space allocation.

Please join Olentangy Schools in welcoming Mr. Davis to this new position. He will transition into the principal role beginning in August 2022 pending approval at the March 24 Board of Education meeting.
