EDITORIAL -- THE BIBLE

Did you ever stop to realize that of all the books purchased, the Bible is the best seller? The fact is that there are more Bibles purchased within a year than any other book.

This one book contains more information than any history, English, math, or other book combined. The history and science books become obsolete in ten to twenty years, yet we are using the same Bible for 2000 years.

You may ask, "How do you know?" Well, the only way to find out is to read this wonderful book from beginning to end yourself. I did.

The one thing to remember while reading is that "all scripture is given by the inspiration of God." This is proved in II Timothy 3:16.

One thing not clear to me is that since the schools in America are supposed to offer the best to their pupils, then why are they trying to eliminate the few minutes that are devoted to the reading of the Bible when it is proven by surveys that have been taken that it is the one book that contains the most information? It is the best seller, and it was composed by the smartest and greatest authors known.

I am positive that anyone who may read and study the Bible will agree with me and every other believer. It is the most worth-while book ever printed. I also believe that one will want to read it through again. I am reading through it for my second time and expect to learn twice as much.

POTTS GROVE J.H. DEFEATS SCHWENKSVILLE 6-2

The Pottsgrove Junior High football squad, under Mr. Giangiacomo and Mr. Dori opened the season with a 6-2 victory over Schwenksville Junior High.

The fact that Schwenksville racked a touchback against Pottsgrove didn't seem to stall our team's spirit because they went on to defeat Schwenksville by reaching paydirt in the final canto.

FALCONS NIP EXETER IN I-C OPENER

Saturday, September 17, our Falcons traveled to Exeter to defeat the Eagles 13-6. The game was the first of league competition for our Falcons. The first touchdown came in the second canto. Jerome Hospador ran a recovered fumble 30 yards to the Eagles' 5. Ron Kuntzelman, in two plays, plunged over for the six-pointer.

The second Falcon six-pointer came in the third stanza with Hurst plunging over from the four yard line. Arthur Jenkins split the uprights for the extra point.

The lone score for the Eagles came in the fourth quarter on an intercepted pass.

-- Tim Cooney

FALCONS ROLL OVER JENKINTOWN

In the first period the Birds seemed to have had trouble in getting their offense clicking, but it didn't take long to correct that. The Falcons didn't hit paydirt until the second quarter after a 98 yard drive was climaxed with an 8 yard touchdown plunge by Wayne Hurst. Art Jenkins added to the scoring with a perfect placement kick. The Falcon defense was clicking, and held the Drakes scoreless in the first quarter. As the second stanza ended, the Falcons were leading 7-0.

When the Falcons appeared on the field for the second half, they looked eager and hungry for another T.D. As the whistle blew for the second half kickoff, Larry Burns took the ball on his own 14, and with outstanding blocking, romped 83 yards before he was brought down on the three yard line. Then Hurst carried again for another Pottsgrove score. Jenkin's placement kick hit the mark again, and the score read, Pottsgrove 14, Jenkintown 0.

The Drakes seemed stunned after that and were unable to score against a rough Falcon defense. The Birds scored again in the third period, which started with an interception by Jim Fisher and ended with a Hurst to Gauger touchdown pass. The extra point attempted was blocked. Pottsgrove's scoring ended for the day, but they walked off the field with an impressive 20-0 victory.

SENIOR CLASS PLAY

On October 27, the senior class presented their annual class play. This year it is entitled Spooks and Spasms. It is a mystery-farce in three acts.

The main plot of the play is not to be revealed. We want to keep everyone on the edge of his seat.

The cast includes Sandra Flickinger, Larry Geiser, Jean Hunsberger, Doreen Stahl, Gloria Rulli, David Gauger, Maire Brunner, Howard Reitenbaugh, Walter Shultz, Richard Kalawaic, and Annette John.

A matinee was presented for the student body on October 25. The play proved to be a spine tingler, a thriller that all really enjoyed.

-A. John

SCHWENKSVILLE DOWNS FALCONS

Although the Falcons were the first to score against Schwenksville, they lost their first Inter-County League game. Bob Walters was the Falcons biggest headache as he scored all four of the Bluebirds' touchdowns. Bob Frey scored three extra points to account for all of the Bluebirds points as they won 27-12.

The Falcons, however, drew first blood. After they received the kickoff, Wayne Hurst hit Bob Gauger with a pass that covered 47 yards. About four plays later, Mike Steninger plunted through the middle of Schwenksville's line from one yard out.

It didn't take Schwenksville long to tie it up as Walters took the kick-off on his twenty and raced through the middle of the field to score his first of four. Frey kicked the extra point and the Bluebirds led 7-6.

The Falcons came back in the second quarter and marched 90 yards with Hurst scoring from nine yards out. The Falcons' defense seemed to be leaky again as Schwenksville took only two plays to go ahead to stay. Before the half ended Schwenksville added six more points with a screen pass.

In the fourth quarter Walters scored from four yards out for the final score of the day.

-Jerry Basco

THRIFT DAY

As everyone should know, Thrift Day is every Tuesday. This is a program to help the students of Pottsgrove High School to save money.

Saving is very important to all of us. One reason is we all have dreams, and in order to make a dream come true, we need money. Putting money away each week will make it easier to accomplish these dreams later in life.

This program started on September 20 and will continue throughout the school year.

Join the many students of Pottsgrove High School who are now saving.

There is no one but yourself who knows whether you are cowardly or cruel, or loyal and devout. Others do not see you, they guess at you by uncertain conjectures; they see not so much your nature as your art. Therefore, do not cling to their judgment cling to your own.
