### **COMMUNITY**

*Three townships, Lower, Upper and West Pottsgrove, compose the Pottsgrove School District and surround the borough of Pottstown on the north side of the Schuylkill River. The district has a population of 19,130 people, is located in Montgomery County and is 40 miles due west of Philadelphia.*

### **SCHOOL**

*Pottsgrove is a four year comprehensive, public high school, with a total student population of 1102 with approximately 80% of that number enrolled in the college preparatory course. Students need 23 credits, a project, and acceptable results of local assessments aligned with the State Academic Standards. The school year consists of four marking periods with graduation in June.*

### **CURRICULUM FEATURES**

*The program of studies stresses individualization of schedules to meet students abilities and interest. A variety of electives permits wide latitude in student selection of subjects. All courses include planned sequences of subjects to prepare students for career objectives. As an example, the college preparatory course requires students to complete three units of higher mathematics, a minimum of two units of a foreign language and three units of laboratory sciences. Honor programs are available in all academic disciplines. An accelerated program in mathematics enables a student to progress to college level Calculus. Advanced Placement courses are offered in several curricula.*
