SUBJECT: DRUG-FREE WORKPLACE

The Board of Education affirms that all programs in the District will be free of controlled substances. "Controlled substance" means a controlled substance in schedules I through V of the Controlled Substances Act (21 U.S.C. 812).

“Workplace” is defined as a school building or other school premises, any school-owned vehicle or any other school-approved vehicle used to transport students to and from school or school activities, off school property during any school-sponsored or school-approved activity, event or function, such as a field trip or athletic event, where students are under the jurisdiction of the District.

The Board of Education directs the administration to develop regulations to comply with this policy, and further supports such actions and activities of the administration as shall be required to maintain a drug-free workplace.

The Board of Education prohibits any employee acting within the scope of his/her employment from being under the influence, using or having in his or her possession or distributing in any way alcohol and/or controlled substances on school property or at school sponsored activities on or off school property.
