

"To Imagine"

By Joanna "\*\*\*\*"

April 2023

This pen was created for me  
and I for it  
In our own little garden  
We were made good together  
Together  
We formed and changed the world  
We made it spin on its axis  
Together we soar  
and explore  
Together we inhaled and  
Made new discoveries  
For it is I  
Who gives this perfect pen power  
Allowing its ink to bleed out  
The finest treasures that ever  
breathed...my thoughts  
My thoughts and this pen go together  
like --  
Peanut Butter and Jelly  
We stick together and are  
Ranked the most influential couple  
Who gives this pen to be with this  
writer?  
I do!  
I do, I do, and I do over, and over, and  
over again  
And Together we did  
At all costs we did win  
For we harnessed the wind  
We ripped the "Im" off of possible  
And we rewrote herstory  
For I am one unique mind with an  
eager pen  
This pen has no power until I say so  
And "so" I say  
Awaken pen

Fuel my imagination  
Paint the rushes of my thoughts  
Touch the depths of my heart  
Illuminate my desires  
Illustrate the passion of my soul  
Live and become one within me  
Partner with me as I caress you  
Hold me as we birth new insights  
Aren't they beautiful?  
This is us  
All of me and  
All of you  
You always come through  
For me  
Oh how I love this pen  
The best part about this pen is that  
It's universal  
You too  
Can pick up the same pen and  
Move mountains  
You too can imagine something  
Good  
Don't you see  
Different is good  
And you CAN do it  
Don't think  
Just be  
Here, please receive this pen  
Take a deep breath  
And just enjoy the journey  
Take the journey seriously  
And  
Make the journey worthwhile  
Every time you pick up a pen  
Remember that  
YOU  
ARE good  
And that you too  
Can empower others  
To imagine
