Project Back to School provides free school supplies and backpacks for WFISD students who qualify for the free and reduced lunch program. ****Must bring proof of eligibility to Roundup to get school supplies such as school eligibility letter, Medicaid, CHIP, Lone Star card, or other proof of receiving government assistance.**

If you attend Burgess, Lamar, Scotland Park, Booker T Washington, or Zundy elementary schools, you will receive school supplies and backpacks at your school when school begins -- NOT at the Roundup.

Project Back to School Roundup is Saturday, August 6, 2022, at the Wichita Falls MPEC at 1000 5th St from 9 am to noon. Each family is limited to 2 members to pick up supplies. Children are NOT required to attend. For more information about the Roundup, visit projectbacktoschool.org or call 2-1-1 or 1-877-541-7905.

If you are receiving school supplies from Project Back to School, you only need to purchase the following items:
