

AGE APPROPRIATE GRADE PLACEMENT 2023-2024

PLEASE NOTE: The Kindergarten Readiness Act of 2010 changed the entry date for students enrolling in Kindergarten and First grade. For the **2023-2024** school year, children must turn 5 on or before **September 1st** to be admitted to Kindergarten. According to SB 130, children who turn 5 between **September 2nd** and **April 2nd** are now eligible to enroll in Transitional Kindergarten (TK), the first year of a two-year Kindergarten program.

This is designed merely as a *guide* to placement. With the exception of Transitional Kindergarten and Kindergarten, this should not be taken as an absolute. Schools are urged to consider other background factors, such as previous grades completed, in making a final decision on appropriate grade placement.
