Third Grade
Summer Reading Assignment

This summer, step into a world of adventure. Travel through time and history to distant lands with Jack and Annie through the *Magic Tree House Adventures*!

All you need to do is:

- Select one *Magic Tree House* book.
- Read and enjoy the book this summer.
- Bring the book with you on the first day of school. If you can't bring the book to school, please write down the title and try to remember what happened in the story. Make sure you know **where** Jack and Annie went and at least **one thing** that they did on their adventure.
- Be ready to share a little about the book with your classmates.
