SUMMER READING Tic-Tac-Toe GOALS

Name

- My summer reading goal is to complete 3 spaces in a row going through the middle before the start of 4th grade. Everyone must complete the middle space book, Fourth Grade Rats by Jerry Spinelli.
- For each space completed, I must fill out a book review sheet.
- I will hand in my Tic-Tac-Toe Card and 3 book review sheets to my homeroom teacher on the 1st day of school.
- I will receive a reward if I complete more than the required goal.
