

ARTICLE III. CURRICULUM AND INSTRUCTION

Section 7. Programs for Gifted Students.

The District may conduct appropriate instructional programs to meet the needs of gifted students in grades K through 12. A “gifted student” is one who, through valid assessment, shows specific academic ability superior to that of children of the same age or grade level within the District; creative ability in a particular area superior to that of his/her peers within the District; or superior leadership ability to that of his/her peers within the District.

The Superintendent shall develop administrative guidelines for identification, curriculum development and implementation, and assessment of learning outcomes for gifted students.
