

## **ARTICLE III. CURRICULUM AND INSTRUCTION**

### **Section 8. Students with Limited English Proficiency.**

All students are to be provided a meaningful education and access to the programs provided by the District. Limited proficiency in the English language should not be a barrier to equal participation in the instructional or extra-curricular programs of the District. Students identified as having limited English proficiency will be provided additional support and instruction to assist them in gaining English proficiency and in accessing the educational and extra-curricular programs offered by the District.

The District will endeavor to assist the student and his/her parents in their access to District programs by sending notices to the parents in a language designed to enable them to understand.
