

ARTICLE III. CURRICULUM AND INSTRUCTION

Section 9. Postsecondary (Dual) Enrollment Options.

The District recognizes the value to students of participating in courses offered by accredited and degree-granting colleges and universities in Michigan. Eligible postsecondary institutions shall include state universities, community colleges, and independent nonprofit degree-granting colleges or universities located in Michigan and that choose to comply with the Postsecondary Enrollment Options Act.

The District will allow eligible high school students who meet the criteria established in the Superintendent's guidelines to enroll in eligible postsecondary courses while in attendance in the District. The Superintendent shall allow a student in 9th grade or above, upon written request of his/her parent, to take approved readiness assessment(s) in order to establish eligibility for postsecondary enrollment. Students will be eligible to receive appropriate credit for completing any of these courses providing they meet all requirements for the type of credit they wish to earn.

The Superintendent shall establish the necessary administrative guidelines to ensure that such courses are in accord with State law and are properly communicated to both the students and their parents. The Superintendent shall also establish guidelines and procedures for the awarding of credit and the proper entry on a student's transcript and other records of his/her participation in a postsecondary program.
