

ARTICLE III. CURRICULUM AND INSTRUCTION

Section 10. Homebound Instruction.

The District shall provide, pursuant to requirements of state law and the State Board of Education, individual instruction to students of legal school age who are not able to attend classes because of a physical or emotional disability.

The District reserves the right to withhold homebound instruction when the instructor's presence in the place of a student's confinement presents a hazard to the health of the instructor; a parent or other adult in authority is not at home with the student during the hours of instruction; or the condition of the student is such as to preclude his/her benefit from such instruction.

The Superintendent shall develop administrative guidelines for implementing this policy.
