Preview of CES#3 Presentation

The team listened to a preview of the CES#3 presentation by Kara Anderson, a principal in the district. She provided key points and data to be included in the presentation. Additional information about the early childhood and special programs was provided on behalf of Dlo DuVall, Assistant Director of Special Programs, who was unable to attend. The team offered suggestions and edits to the presentations.

Discussion of CES#3 Work Activity

The group reviewed and approved the work activity for CES#3. It was agreed to ask the participants to discuss and offer 5 priorities for improving student achievement in PreK - Grade 5 education. *Note: the activity was later modified to reduce the priorities from 5 to 3 and to also ask participants to share 2 positive things about the district, students or staff.*

Review of Vision Forward updated calendar

The Vision Forward calendar was updated with topics, locations and dates. The updated calendar was approved to post on the website.

Marketing/Communications/Publicity for CES#4 and CES#5

Eileen Houston Stewart reviewed the communication plans for the upcoming sessions, including possible flyers to parents in Lafayette and Benton areas and other targeted communication with non-parents in those areas.

Next session: March 28, 2022 via Zoom to review final presentations
March 29, 2022 - CES #3 at Word of Life Church 6-8 p.m.
