A “personal communication device” is a privately-owned device that is used for audio, video or text communications. “Personal communication device” includes, but is not limited to, computers, tablets (*e.g.*, iPads and similar devices), electronic readers (“e-readers,” *e.g.*, Kindles and similar devices), cell phones (*e.g.*, mobile/cellular telephones, smartphones (*e.g.*, BlackBerry, iPhone, Android devices, Windows Mobile devices, etc.)), telephone paging devices (*e.g.*, beepers or pagers), and/or other web-enabled devices of any type.

Except as authorized by a teacher, administrator or IEP team, or by regulations issued by the Superintendent, students are prohibited from using personal communication devices during instructional time, including while off-campus on a field trip, to capture, record and/or transmit words or sounds (*i.e.*, audio) and/or images (*i.e.*, pictures/video) of any student, staff member or other person. Students may utilize personal communication devices before and after instructional time, during the student’s scheduled lunch time, or as directed by a teacher or other staff member for educational purposes. Students may possess personal communication devices on their person during times when their use is not permitted, but the devices must be powered off and kept out of sight in backpacks or purses, or in lockers during such times.

The Superintendent is authorized to develop regulations to further control student use and possession of personal communication devices.
