

SWIMMING WAIVER FORM

Dear Parent(s)/Guardian:

The Physical Education class that your son/daughter is enrolled in will be participating in an activity that will require them to leave the school grounds. The activity is a swimming unit that will require the students to take a school bus to Triton College. This is only a 5 day unit. Your child must bring their own swim suit and towel each day. All students are required to come to Triton College with the class. The only students who will be exempt from this unit are those who produce a legitimate doctor's note prior to the unit or anyone who has a religious conflict. Those students will be required to dress in their PE clothing and will be given an assignment to be completed.

Swimming attire: Students are required to wear a one or two piece bathing suit. Students may also wear a t-shirt or shorts, over their suits if this will make them more comfortable.

Students will be receiving swimming instructions during this time as well as time to work on their own. Skill level will be assessed on the first day and students w/poor swimming skills will be required to stay in the shallow end for their own safety.

Students must understand that all rules and regulations that are adhered to at Elmwood Park High School will also be enforced while riding the bus to and from Triton and while at Triton College. (In addition: no cell phones are allowed and students should not disturb other patrons)

Any horseplay or failure to comply with EPHS and Triton College rules will result in the removal of the student, from the activity, **without refund!** No warnings will be issued.

Again, all students must travel with the class to and from the destination. Please fill in all of the information below and have your child return it to Ms. Franklin or PE teacher.

I give my son/daughter (print) _____ permission to participate in the winter activity and do not hold Elmwood Park High School responsible for any injury that may occur while in route to or at our destination.
