

ARTICLE VI. FINANCES

Section 5. General Purchasing.

In order to maintain effective control over the purchase of supplies, materials and equipment for the District, the purchase of all supplies, materials and equipment shall comply with all applicable Board policies, as well as all applicable State and Federal laws, rules and regulations.

It is the general policy of the Board that the purchase of all supplies, materials and equipment be at the lowest possible cost in the best interest of the District and all purchases must be within budget allocations. All procurement processes should use good administrative practices and judgement and free of any real or apparent conflict of interest. All procurements are to be conducted in a manner which provides open competition as required by law. The lowest responsible bidder shall generally be awarded the contract; however, the Board reserves the right to accept any bid/proposal that it feels is in the best interest of the District.

If the reasonably anticipated purchase price for the supplies, materials or equipment exceeds the State of Michigan competitive bidding threshold, as adjusted annually, a procurement process with competitive bids/proposals is required. However, competitive bids/proposals are not required for the purchasing of food unless the food purchased in a single transaction costs \$100,000 or more. Board approval is required for purchases over the State of Michigan competitive bidding threshold, as adjusted annually.

Purchases made using competitive bids provided through the State of Michigan programs, other consortiums, or cooperative bids shall satisfy the requirements of this Policy, unless applicable State or Federal law requires otherwise.

The Board reserves the right to: i) accept or reject any and all bids/proposals, in whole or in part; ii) waive any informalities or irregularities in the procurement process or a bid/proposal; iii) award the contract to other than the lowest bidder.
