

ARTICLE VII. FACILITIES AND OPERATIONS

Section 12. Transportation of Students.

If bus transportation is provided by the District, the Superintendent shall develop rules and regulations necessary and appropriate for the transportation of students. The District may provide transportation services for field trips, co-curricular and extra-curricular activities, and a fee may be charged for such transportation. Violation of the District transportation rules and regulations may result in the student's removal from District-provided transportation services.

The District will determine the geographic parameters for student eligibility for bus transportation in accordance with state law, rules and regulations. The District will not provide transportation for open enrollment students, or students admitted to the District through any school of choice program, unless expressly authorized by the Board.
