

San Juan Professional Educators Coalition

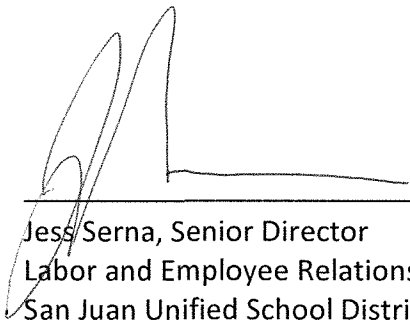

And

San Juan Unified School District

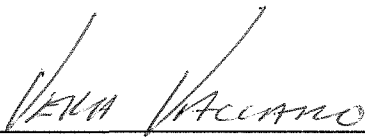

Joint Statement

September 8, 2011

As part of the 2010-2011 agreement with the San Juan Professional Educators Coalition and the District, the parties have agreed to an alternative year evaluation system. In order to be eligible for the alternative year system, members must have three (3) consecutive years of "Meets Standards." These three (3) consecutive years of "Meets Standards" evaluation must be within the same classification; i.e., elementary principal, middle school principal, high school principal. This alternative year process shall be determined by the Senior Leader and Administrator.
