Subject To Change!

This Student Handbook is provided as a convenience to the students of Tupelo Public School District. While it contains policies current at the time of printing, we are constantly reviewing and updating policies. Therefore, the Handbook may not always reflect the most current policy. All policies and procedures summarized in this Student Handbook are subject to unilateral change at the sole option and discretion of the Tupelo Public School District.

A MESSAGE FROM **THE PRINCIPAL**

Welcome to Pierce Street Elementary School!

My name is Anthony Golding and I am excited to begin the 2023-2024 school year as your new principal. I feel honored to lead a school with such a rich history of academic and cocurricular excellence. Here at PSE, we believe that every student is capable of learning, growing, and excelling, and we help students excel by ensuring they have access to evidence-based instructional strategies across the entire curriculum. We work diligently to enhance the creative arts and emphasize creativity, critical thinking, collaboration, and other skills required to be productive citizens in an ever-changing society. I personally believe that all students are entitled to a supportive, safe, and rewarding school environment. We intend to grow your student(s) academically and socially while celebrating our successes along the way.

Parental involvement is key to our success, however. Working with you, I plan to build productive relationships between Pierce Street Elementary and the Tupelo community as we work towards our common goals. Please know, at PSE, you are welcome, and you are heard. I am so excited to work alongside you.

With Pierce Street Pride,

Anthony S. Golding

ARRIVAL & DEPARTURE TIMES & PROCEDURES

ARRIVAL:

Teachers at Pierce Street will be on duty at the front of the building and at the bus entrance on the east side (Lincoln Drive) at 7:30 a.m. each morning. Students may enter the building at this time. Students who walk, ride bikes, and are brought by automobiles will enter the front of the building (Pierce Street) by the office. Students who walk are encouraged to walk directly to school in the morning and to go directly home in the afternoon.

The tardy bell will ring at 8:00 a.m. Any student who arrives in the building after 8:00 a.m. is considered tardy and will need to be escorted into the building and signed-in by a parent. Students will then receive a tardy slip from the office before proceeding to their classroom.

Instructional time is valuable and begins promptly at 8:00 a.m. Please be considerate of the time.

DISMISSAL:

Dismissal will begin each afternoon at 2:50 p.m. Walkers and students being picked up by carpool will exit the front of the building, while bus students and daycare students will be dismissed at the east side of the building on Lincoln Drive (closest to the Middle School) as their bus or daycare arrives.

Car riders will exit from the front of the building along Pierce Street. The circle drive will be used for car rider dismissal ONLY and will flow one way. We will allow 10 cars in the circle drive at a time. The desire is that all 10 cars load, and pull away simultaneously, so the next 10 vehicles may enter the drive, making dismissal more efficient and timelier. Please do not enter the side parking lot to pick up your children. This causes a safety hazard for our students.

STUDENT CHECK-IN:

The front doors of the school will be shut and locked at 8:00 a.m. Any student arriving after 8:00 a.m. will need their parent to accompany them into the building to sign their child into school. Students are not allowed to sign themselves into school. This same procedure will be used for students who check into school late throughout the school day.

STUDENT CHECKOUT:

For safety reasons, we will not dismiss your child via telephone requests. Any change in how your child normally goes home will need to be made in writing. Without written notification your child will be dismissed to their usual afternoon destination. Additionally, students may not check out after 2:45 as this disrupts the learning environment. *All checkouts must occur before 2:45 p.m. each afternoon.

STUDENT ABSENCES & EXCUSES

Attendance – JBD TPSD Board Policy

To be considered as having attended school for a full day, a student must be present for 63% of his/her instructional day as fixed by the Board for each individual school. For purposes of reporting absenteeism, a student who has an absence that is more than 37% of the student's instructional day shall be considered absent the entire school day.

1. Excused Absences shall include:

a. Parental Excused Absences

Students are allowed to have a maximum of three (3) excused parental absences per semester.

Parental absences must be substantiated in writing within **2 school days** of the absence. A parent/guardian can substantiate the absence by sending a signed note, emailing or faxing to the school attendance office. The note must have the child's first and last name and date of absence(s). A parent signed checkout will also substantiate a parental excused absence. A parental excused absence may be for one class, any 30-minute period within a class or an entire day.

b. Medical Excused Absences

Students are allowed excused medical absences when the absences result from illness or injury which prevents the student from being physically able to attend school; a medical or dental appointment; isolation ordered by the county health officer, and State Board of Health or appropriate school official. Excuses from the doctor or dentist must be substantiated in writing within **2 school days** of the absence.

Unexcused Absences- Any absence, tardy or dismissal, which does not meet the criteria of an excused absence, shall be considered unexcused. No absence will be considered excused when it is due to suspension, expulsion or other disciplinary action.

STUDENT CODE OF CONDUCT

The teachers at Pierce Street Elementary School are committed to establishing an atmosphere throughout the school in which children will feel safe, secure, happy, and have a maximum opportunity to learn.

STUDENTS SHOULD:

- Exhibit positive and respectful behavior at all times
- Respect school and personal property
- Be courteous to everyone
- Bring only necessary items to school
- Walk, not run
- Exhibit the P.R.I.D.E. characteristics at all times
Prepared, Respectful, Integrity, Dependable, Enthusiastic

Teachers are encouraged to handle discipline within their classrooms. Rule violations that result in the referral of the student to the office will be handled according to the established discipline ladder. Depending on the severity of the offense, the consequence may be entered at any given point on the ladder.

STUDENT DISCIPLINE

PIERCE STREET PRIDE:

School is a place that provides rewarding experiences for a group of students working together daily. In order for each student to reap all the benefits that Pierce Street Elementary offers, it is imperative that discipline and order be maintained consistently. Our goal is to promote an atmosphere within the school that is conducive to learning while protecting the rights of students. Therefore, no student's behavior will be allowed to interfere with the learning opportunities of others. Parental involvement with the school is essential for a positive school environment. Parents are required to attend conferences, and to provide current emergency contact information. Parents are also required to make arrangements for their child if he/she is suspended from school. In order to minimize student discipline issues, parents should discuss with their children the importance of good behavior and good attitudes while in school. While the primary responsibility for conduct rests with the student, collaboration between the parents and the school is the best discipline intervention.

CLASSROOM DISCIPLINE PROCEDURES:

Pierce St. Elementary Rules and Consequences are the same for each classroom; the rules support our PSE P.R.I.D.E. in an effort to ensure:

- " RULES are followed by students at all times.
- " CONSEQUENCES are consistent when students choose not to follow the rules.
- # Teachers will follow the PSE Consequence ladder prior to sending a student to the office.

TUPELO PUBLIC SCHOOL DISTRICT: DISCIPLINE POLICY

[HTTP://TUPELO.MSBAPOLICY.ORG/DISTRICTPOLICIES/VIEWSADMIN/SELECTEDDOCUMENTREADONLY/TABID/5911/DEFAULT.ASPX?DOCID=66445](http://TUPELO.MSBAPOLICY.ORG/DISTRICTPOLICIES/VIEWSADMIN/SELECTEDDOCUMENTREADONLY/TABID/5911/DEFAULT.ASPX?DOCID=66445) Discipline Supervisors!

Dr. Brock English, Secondary

TPSD BOARD POLICY: STUDENT DISCIPLINE: ELEMENTARY GRADES 3-5

School is a place that provides rewarding experiences for a large group of students working together from day to day. In order for all to benefit, enjoy, and learn from these experiences in a safe environment; discipline and order must be maintained. The primary responsibility for the conduct of a student rests with the student, the parents, and the school. Parents should discuss with their children the importance of, and need for, good behavior and a good attitude while in school. Our goal is to promote an atmosphere within the school that is conducive to learning while protecting the rights of students. No student's behavior will be allowed to interfere with the learning opportunities of others. We work to preserve the dignity of the individual while at the same time not allowing them to manipulate the system. Students, parents, teachers and administrators must be consistent in their decisions and be supportive of each other. Parent involvement with the school is required for a positive school environment. It is the parent's responsibility to attend conferences, make arrangements for children upon suspension, and provide current emergency information to the school.

PROCEDURE

All teachers will have a classroom management plan in place based on the following disciplinary guidelines. The principal must approve the plan. Each classroom management plan will include some type of parent contact and/or conferencing as one of its steps. The plan will be based on these district-wide elementary rules:

- A. Respect the rights and property of others.
- B. Be responsible for your own actions.
- C. Be resourceful with your assets and abilities.

It should include procedures for:

- Use of classroom space and facilities.
- Use of other parts of the school.
- Whole class activities and seat work.
- Small group activities.
- Keeping students accountable for their work
- Beginning and end of day activities.
- Administrative and housekeeping chores.
- Special activities and safety rules.
- Time out within the classroom.

Prior to sending a student to the office for disciplinary infraction, steps are taken within the classroom to correct misbehaviors. Teachers document these corrections with a low-level referral form. Low level form should be attached to discipline referrals if/when the teacher refers to student to the principal.

However serious infractions require immediate referral to the office. All administrators are trained with the TPSD discipline ladder.

PIERCE STREET INFORMATION

LITERACY STATEMENT!

Beginning in the 2014-2015 school year, a student scoring at the lowest achievement level in reading on the established state assessment for 3rd grade will not be promoted to 4th grade unless the student meets the good cause exemptions for promotion.

CHORUS:

Pierce Street will offer a volunteer chorus. The chorus will meet during or before school once per week. Chorus is for the student who desires a more advanced musical experience than is offered in the regular class.

PERFORMANCES:

Each grade level will participate in a performance at some time throughout the school year. On the day of the event, a performance will be held that morning at 9:00 a.m. for the school, with an encore performance at 1:00 p.m.

D.A.R.E. - DRUG ABUSE RESISTANCE EDUCATION:

D.A.R.E., an acronym that stands for Drug Abuse Resistance Education, is a 17-week course for fifth grade students taught by a uniformed police officer. The nationally recognized program is a joint effort by the Tupelo Public School District and the Tupelo Police

LOST & FOUND:

There is a designated area on the stage at Pierce Street for lost and found items. Students are encouraged to turn in items, as well as look for their lost items in this area. Any valuable item turned in will be kept in the office for safe keeping.

VISITORS:

The principal is responsible for all persons in the building and on the campus and will schedule through his/her designee visits from parents, community members, and other educational professionals. The following policy applies to all visitors entering a school other than for attendance at a scheduled activity open to the general public: In order to assure that no unauthorized persons enter the school with wrongful intent, all visitors will report to the school office when entering to receive authorization and identification passes to visit elsewhere in the building.

Parents or citizens who wish to observe a classroom while school is in session must arrange such visits in advance with the principal so that classroom disruption will be minimal. Principals are authorized to refuse entry onto school grounds to persons who do not have legitimate business at the school and to request any unauthorized person or persons engaging in unacceptable conduct to immediately leave school property. Principals are further authorized to request assistance of law enforcement officers in cases of emergency and to seek prosecution to the full extent of the law when persons violate the intent of this policy.

STUDENT DELIVERIES:

Students may not receive deliveries (flowers, balloons, candy, etc.) to the school for any occasion.

PERSONAL ITEMS AT SCHOOL:

Students are asked to refrain from bringing personal items to school, especially those considered valuable as this helps to minimize distractions in the classroom as well as prevent loss or damage to personal items.

MEDIA CENTER:

Pierce Street's Media Center operates on an open or flexible schedule in order to provide more time for independent study and to ensure that media skills are successfully integrated into the curriculum. Modern technology such as computerized card catalog, iPads, Nooks, and a computer lab with a Promethean board, enhances the media services offered to our Pierce Street students.

PLACEMENT REQUESTS:

Requests for student placement in classrooms are not honored at Pierce Street. We are, however, open to any information you wish to provide to us regarding your child (behavioral issues, specific learning needs, personality characteristics, etc.) so that we may make a best decision in placing your child with their assigned teacher.

STUDENT HEALTH AND WELLBEING:

We are concerned about the health of all of our children. Students who display signs of illness should not be sent to school. Pierce Street will have access to the services of a school nurse. If a child becomes ill or is injured at school he/she will be cared for temporarily. The parent/guardian will be contacted immediately and expected to pick up the child within the hour.

***IT IS IMPERATIVE THAT EMERGENCY TELEPHONE NUMBERS ARE KEPT CURRENT.**

MEDICATIONS:

Parents must request in writing that medication prescribed for their child be provided by school officials and must read and sign a copy of this policy, which will be kept on file by the principal. Medicines must be brought to the principal or designee by the parents in the original container with the pharmacy information label attached listing the name of the prescribing physician, name of the medicine, dosage and instructions for administration. !

1. The instructions should be specific, such as "before meals" or "with food," etc. !
2. Medicines will only be administered in accordance with the specific instructions on the original container pharmacy label. !
3. No more than a forty-five (45) school day supply of medication will be stored at the school. The principal or designee should return to the parent, or destroy with permission of the parent, any unused, discontinued or obsolete medication.!
4. Medicine which is not repossessed by the parent within seven (7) days of notification by school authorities will be destroyed by the principal or designee in the presence of a witness. !

!

If the student's physician has prescribed an over the counter medication for the student, it must be in an unopened, original container, with a pharmacy label showing the student's name, directions for administration and the recommended dosage. If the prescribing physician has given the parent a sample medication, the container must be labeled as stated herein. !

!

Self-Administration of Asthma and Anaphylaxis Medication!

Students may self-administer asthma and anaphylaxis medication only in accordance with state law and Board policy. Each student with asthma or anaphylaxis is required to have an Asthma Action Plan (AAP) or Allergic Reaction Care Plan (ARCP), signed by his/her healthcare provider and updated annually, on file at the student's school. Neither the District nor its employees shall, by law, be liable for any injury sustained by the student who has self-administered asthma or anaphylaxis medication. !

!

Access to all stored medication will be limited to the principal or designee who will witness the administration of the medication. The following procedures will be followed in case of a medical emergency as may be deemed appropriate: !

- * Call 911!

- * Notify school nurse! * Notify parent/guardian!

- * Notify private physician

IN THE EVENT OF INCLEMENT WEATHER:

In the event of inclement weather and school closings, parents will receive an alert now phone call (automated phone message) with details regarding the closing. The district webpage, www.tupeloschools.com as well as local television and radio stations are reliable resources as well.

TITLE 1: PARENTS RIGHT TO KNOW:

Upon parent request, the qualifications of teachers and assistants employed in schools or programs funded by Title 1 will be provided. Title I School wide programs are available at Martin Luther King and all K-5 schools within the Tupelo Public School District. For further information, please contact the Director of Federal Programs at (662-841-8850) or your child's principal.

Tupelo Public Schools strives to ensure that students who meet the criteria for McKinney-Vento Homeless Act of 2002 are placed upon arrival. To ensure their placement, slots are left open should a student arrive at any time during the school year.

COMMUNICATION BETWEEN SCHOOL & HOME

Clear communication is essential in an effective school-home relationship. If you have questions or concerns, please do not hesitate to contact school personnel. A newsletter will be posted each week informing parents of the happenings in the child's classroom.

CONCERNS:

Direct your communication to one person in the position closest to the situation. If there is an issue involving the teacher, contact the teacher first. If there is a concern in which you feel the counselor could be of assistance, please call the office for the counselor. Contact the principal in general situations involving more than one individual or classroom or if satisfaction is not gained after talking with the teacher.

PARENT CONFERENCES:

Parents are strongly encouraged to communicate as much as possible with their child's teacher. A parent conference can be scheduled by contacting the classroom teacher or the school guidance counselor. The most appropriate times to schedule a parent-teacher conference are before school, after school, and/or during a teacher's planning period. Parents who wish to arrange a conference should call the school counselor during the day at 841-8940.

CLASSROOM OBSERVATIONS:

Parents are encouraged to visit classes throughout the school year. Visits should not exceed a thirty minute period of time. Teachers like to have the day started before visitors arrive, but most feel that the morning provides the best opportunity for uninterrupted instruction. Only the parent or guardian of a student may visit the classroom for observations. Class visits should be scheduled in advance by school administrators or counselors. Parents are encouraged not to conference with the teacher during the thirty-minute visit. If a follow-up conference is needed, please schedule the conference with the counselor.

All visitors must sign in though the main office.

HOURS OF OPERATION:

- The hours of operation of Pierce Street Elementary School are 7:30 a.m. until 4:00 p.m. Students **are allowed to enter the building at 7:30am** and dismissal begins at 2:50 p.m. and ends at approximately 3:15 p.m.
- The Tupelo Public School District is not responsible for your child before or after these hours. If you are not able to pick up your child upon dismissal from school, bus transportation should be considered. Bus transportation is available to every student in the district who lives outside of the walking zone of the specific school.
- The Mississippi Department of Human Resources has requested that we report any parent or guardian who has repeatedly failed to pick up his/her child upon dismissal, as this conduct constitutes child neglect. In the past, children left at school after all faculty and staff members have left campus have been transported to Juvenile Hall by local law enforcement officials. Other available arrangements may be made, at the discretion of the District.
- Please plan to have your child picked up at the time of dismissal. If you need to arrange bus transportation, please call the department of transportation at 662-841-8908.
- **All transportation changes must be in writing.**

Through Title I, the Federal government gives money to school districts around the country based on the number of at-risk students in each district. The purpose of Title I is to ensure that all children have a fair and significant opportunity to obtain a highquality education. Title I schools have a choice as to how they set up their Title I program as long as the program helps its students meet state academic standards. Title I funds at Pierce Street are used to:

1. Hire additional instructional staff,
2. Purchase equipment and learning materials, and
3. Support parent involvement activities. **Parents-Right-To-Know!**

The qualifications of teachers and paraprofessionals employed in schools funded by Title I will be provided upon parent request. Title I School wide Programs are available at the Early Childhood Education Center and the eight K-5 elementary schools. For further information, please contact the principal of the school where your child attends or the Director of Federal Programs. In addition, a parent may request information on the level of achievement of the parent's child on each state academic assessment, and/or a timely notice that the parent's child has been assigned or has been taught for four or more consecutive weeks by a teacher who is not highly qualified.

FAMILY EDUCATION RIGHTS & PRIVACY ACT:

The Tupelo Public School District routinely makes public certain directory information regarding students. This directory information includes the student name, address, telephone number, picture, height and weight of athletes, extracurricular activities, awards, honor rolls, electronic listings, Internet web pages, and other information which is typically found in school yearbooks, programs, bulletins, and student newspapers. ASBESTOS NOTIFICATION:

In accordance with the Asbestos Hazard Emergency Response Act (AHERA) regulations established by the EPA, all school districts are required to provide an annual notification to all parents, teachers, and employees regarding our asbestos management program. This annual notification informs all persons of their option to review the Asbestos Management Plan for our school district.!

To provide continuing management of the asbestos in our schools, all Asbestos-Containing Materials (ACM) are inspected every six months by an accredited asbestos inspector. Any changes to these materials are recorded in a surveillance report as part of the management plan.!

Additionally, an accredited Asbestos Management Planner conducts a comprehensive inspection of all ACM's every 3 years. This 3-year re-inspection has been performed as required and a copy has been filed with the Mississippi Department of Education.!

A copy of the Asbestos Management Plan is located in the principal's office at each school. In addition, copies of all Asbestos Management Plans for the district are maintained in the Superintendent's office located at 72 South Green Street. If you are interested in reviewing this information, please contact the Central Office at 662-841-8853 to schedule an appointment.
