

ARTICLE VIII. COMMUNITY RELATIONS

Section 6. Use of District Facilities.

The Board may permit the reasonable use of its buildings and grounds by responsible community groups, provided that such use does not interfere with the daily school routine or any school-sponsored activity, or unduly jeopardize the condition of District facilities. Rental or use of District facilities may take place only if approved in advance by the Superintendent or designee. The Superintendent shall issue administrative guidelines governing the use or rental of District facilities.
