

## **ARTICLE VIII. COMMUNITY RELATIONS**

### **Section 11. High School Diplomas to Qualified Military Veterans.**

The Board honors the service provided to our country by veterans of World War II, the Korean Conflict and the Vietnam Era. The Board is honored to issue high school diplomas to veterans who began their service without completing high school, and who comply with the provisions of MCL §35.341. The Superintendent is authorized to accept applications and documentation from such veterans, and shall make recommendations to the Board as to whether the veterans should be awarded their diplomas.
