STUDENT-ATHLETE IDENTIFICATION FORM

Section 1: To Be Completed By Student/Parent

Student's Name:_____(please write clearly)

Current Grade:_____ Today's Date: _____

Sport you are interested in playing in college: _____

Please circle which division you are considering: D1 D2 Considering Both

By signing below, you, the student and the parent:

- Have read the NCAA powerpoint presentation (which is posted on the Counseling Website and in Family Connection) and understand the core course and standardized test score requirements which are required by the NCAA in order to be eligible to compete at a D1 or D2 to college.
- You understand that in calculating core course GPA, only the following courses will be used: English, Math, Science, Social Studies, and World Language.
- You understand that you are responsible for registering with the NCAA Eligibility Center at the end of your junior year, as the NCAA requires 3 full years of high school courses be completed before beginning the eligibility process.
- You understand that the student is the one responsible for achieving and maintaining academic eligibility
- You understand that if this initial identification form is first submitted during the student's junior or senior year, you the student/parent is acknowledging that you may not meet core course requirements based on previous high school courses since the initial identification and review was not completed earlier in the high school career
