

Craig Johnson - Biography

Mr. Johnson has a mechanical engineering degree from Union College and an MBA from St. Thomas University. He has spent his career at Emerson's in the industrial instrumentation division. He currently manages the customer group supporting liquid analysis, flame, and gas detection instruments. He has three kids at Cologne Academy and recently coached one of the kindergarten soccer teams.

“I have joined the board to be more involved so I can support our teachers and staff to ensure we maintain a healthy and safe environment for our children. I would like to see every child have the opportunity to achieve their full potential.”
