

Parent News!

For BL Miller Elementary Parents

Thank you for being your child's most important teacher!

From The Principal...

Thank you so much for a wonderful first year as the principal of B.L. Miller Elementary. I have truly felt right at home and I have enjoyed watching our teachers, students, and families blossom this year. Thank you for welcoming me into your homes on my Sunday night phone calls, my newsletters, and at all of the events held at B.L. throughout this school year. We have amazing things planned for this district and I can't wait to continue to support our Trojan family! Have a wonderful Summer!

Mrs. Hanley
Principal, B.L. Miller

May's Positive Students Of The Month:

Kindergarten
Tate Pratt
Tanner Chaney

1st Grade
William Perko
Walker Ellsworth

Isabelle Smith

3rd Grade
Ayden Caughman

4th Grade
Gracie Hawkins
Jackson Phillips

5th Grade

Success By Six

Kindergarten Summer School is called 'Success By Six.' It's roughly 3 weeks of young students learning routines of our school day, spending time in classrooms, and interacting with future classmates. Students participate in Circle Time, Songs, Playtime, Math, Reading, Crafts, and Computers. Parents of soon to be Kindergartners should contact the school to register for SB6! (330)938-2025.

SB6 - Students entering Kindergarten
May 30th- June 15th
8:00 AM – 12:00 PM

It's not too late to sign up!!
(330) 938-2025

End-Of-Year Awards

This year we will have two smaller assemblies for our "End Of Year Awards" for grades 1st-4th. The awards assemblies will be on **Wednesday, May 24th.**
1st & 2nd Grade- 12:30-1:00 P.M.
3rd & 4th Grade- 1:30-2:00 P.M.

*Kindergarten will still have a 6PM graduation ceremony on **Monday, May 22nd.**

*5th Grade graduation will still be **Tuesday, May 23rd at 6:00 P.M.**

Both of these grade levels will receive their awards during their

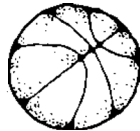

Track & Field Updates

May 2023

BL Miller's Track & Field Day will be held Tuesday, May 16th (rain date is Thurs, May 18th.) This year our Track & Field Day will be held at BL Miller instead of the stadium. The plan was to move Track and Field day back to the stadium this year, but there is some work being done on the field this Spring, so it is not accessible this year. As always, parents will be invited to watch! Bring a folding chair and cheer on your student/s! The students will all be receiving shirts by grade level in different colors sponsored by PIE. These shirts are for the students to keep following Field Day. Thank you for being understanding and look for more information coming home soon. Times TBD, however. K-2 will be in the morning, and 3-5 will be in the afternoon. Looking forward to the competition!

The P.E. Scene

by Mr. Hall

The end of school is fast approaching and soon a close to another fantastic year here at Sebring. I have really enjoyed being part of B.L. this year and am looking forward to Field Day. **Unfortunately, Field day will be at B.L. and not at the High School as stated in an earlier letter.**

Grades K-2 have come a long way since the beginning of the year. It has been really fun to watching them grow. We will finish the school year with practice for field day and review of manipulative skills.

Grades 3-5 will be starting flag football activities for the last part of the school year and are finishing up field day prep. Fifth graders will be watching a maturation video on Thursday, May 11th. The girls will be with the nurse and the boys will be with me.

FYI: Appropriate dress for gym should consist of tennis shoes with laces or Velcro with heels and toes covered for running and safety. Jewelry should not be worn for P.E. class. Your child safety is important to me. If you have any questions or concerns please feel free to contact me at gHall@sebring.k12.oh.us

Remember the recommended time for a healthy lifestyle is 60 minutes of active every day! Stay active and fun!

Music by Mr.

Hello BL Miller Parents! I just want to start off by saying what an amazing and crazy school year it has been. This has been a great first year not only for your students but for me as their teacher. We have had our highs and lows but this year has definitely been one I won't soon forget!

Hello 5th Grade Parents! As we close the year, please keep in mind that in 6th Grade your child will have the awesome opportunity to join our band and choir programs! If your child already has decided to do band, choir, or both, I highly recommend that you look into getting them private lessons over the summer to kick off their musical journey with a BANG!

If you want help or more information, please do not hesitate to contact me @ nhughes@sebring.k12.oh.us

Our band and choir programs, while small, have continued to gain awards and praise for their outstanding work, and we want that to continue! Come and be a part of something AMAZING!

As we close out the year, We will be doing a deep dive into different instrument families. We have already begun with meeting the woodwinds and have now moved on to brass and will soon discuss the percussion.

May 2023

**Ms.
Luca's**

This year has been great! I've had a fun time creating art with your students, trying new projects and using our kiln for the first time in the elementary. Students will be bringing the remaining artwork they have left home during the next couple weeks. Be on the lookout and I hope you enjoy their creativity.

Kindergarten and 5th grade will be working on projects for both of their upcoming graduations. I can't wait for you to see their artwork displayed.

Have a great summer and I look forward to seeing everyone next year!!
