POLICY -- USE OF FACILITIES

BP 1330

The normal hours of operation of the Santa Barbara County Education Office are 8:00 am to 5:00 pm Monday through Friday. Since the educational facilities belong to the people of Santa Barbara County and since educational facilities under the control of the County Board of Education are established, operated and maintained by public funds, the County Board of Education accepts the responsibility for making its educational facilities available to responsible organizations, associations, agencies, institutions or groups of the community. The facilities will be made available for appropriate educational, civic, cultural, welfare or recreational activities which are consistent with the conduct and best interests of the educational and administrative activities of the Santa Barbara County Education Office.

The County Superintendent of Schools will establish regulations and procedures governing the use of County Education Office facilities.
