POLICY -- BUS CONDUCT

BP 5131.1

Students

In order to assure safe transportation of students, the County Board of Education authorizes and directs the County Superintendent to issue and enforce appropriate administrative regulations regarding proper pupil behavior while approaching, waiting for, disembarking, or riding a school bus.

When needed, transportation to and from Regional Occupational Program classes and community training sites located throughout Santa Barbara County may be provided for high school students who are concurrently enrolled in both a regular high school program and a Regional Occupational Program class, and other programs under the direction of the Santa Barbara County Education Office.

Transportation will not be provided for adults.

Other agencies contracting for transportation will be expected to abide by these regulations.
