Reach New Heights as an Educator
Learn more about becoming a licensed teacher!

Grand Canyon University knows that as a paraprofessional, you have an incredible impact in the classroom every day. We want to help you take this impact to a new level by providing you with specialized skills and a path to becoming a licensed educator.

Earning your bachelor’s degree in education from GCU may be the opportunity you have been looking for to reach new heights in your career as an educator and make a difference in the classroom.
