

SENIORS ARE SPECIAL CARD

Dear Kettering City Schools Supporter:

We appreciate our Kettering seniors and all of the support that you show to the Kettering City Schools and to our students.

In recognition of that support and of the fact that we know our seniors enjoy seeing our talented students “in action” -- whether it be on the stage, the field or the court -- we offer a *Seniors Are Special Card* to any senior who lives in Kettering and is 60 years of age or older.

Seniors Are Special Cards are available, free of charge, and provide our seniors with admission to any Kettering City School District activity. The only exceptions are tournament games, to which we are not permitted by Ohio High School Athletic Association (OHSAA) guidelines to give free admission.

There are three ways you can get your *Seniors Are Special Card*:

1. Stop by the Community Relations Office at the Kettering Board of Education Building, 500 Lincoln Park Blvd., 3rd Floor, between the hours of 8 and 11 a.m. and 1 and 4 p.m. and request your card; or
2. Call the Community Relations Office at (937) 499-1458 and request your card; or
3. Email us in the Community Relations Office at and we will be happy to send your card to you – lisa.pickett@ketteringschools.org
