

Silsbee Early College High School

Summer Bridge – TSIA Instruction Support & Testing

Silsbee ECHS will provide instructional support July 12th – July 16th for ECHS students that have not passed the MATH or ELAR sections of the TSIA2.

Passing the MATH and ELAR TSIA2 sections are imperative as it is required for students to enroll in required courses in their degree plans. Sophomores – Seniors will receive the following supports on the schedule listed below. Students are excused once their scheduled sessions are completed. Sophomores and Juniors that have to attend both ELAR and MATH sessions July 13th – 16th may leave campus for lunch or bring a packed lunch to eat on campus. ECHS students will need to bring their Chromebooks. Please make arrangements for your ECHS student to attend.
