

Dame Allan's Junior School and Nursery School

Uniform List

As of June 2023, [Schoolblazer](#) are the official outfitters for the Junior School.

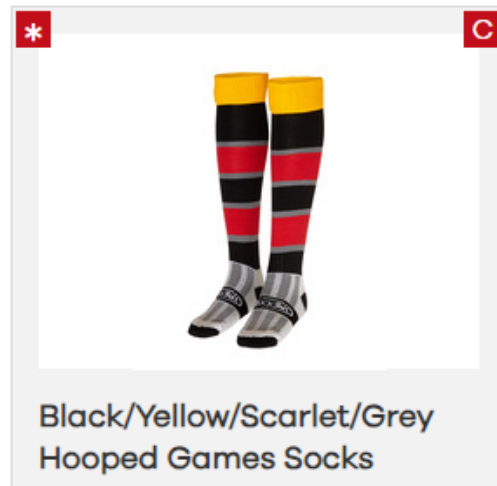

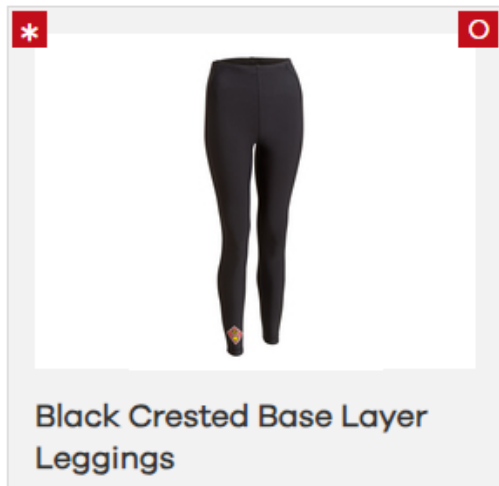

[John Lewis](#) momentarily stock both school-specific and generic uniform items online but the availability of items will become more and more limited as stocks sells out. In the meantime, all items which they currently have in stock can be ordered on their website. This will include school blazers which, unfortunately, will not be available from Schoolblazer until June 2024.

Our parents' association DASPA also hold second-hand uniform sales throughout the year.

When you are on the Schoolblazer website you will only see the products that your child requires.

Each product image has red boxes in the corners.

When you hover the mouse over the red boxes will provide you with more information about the product.

In the image above the red boxes mean;

C in the top right hand corner of the item image if the item is compulsory.

O in the top right hand corner of the item image if the item is optional

** in the top left means it must be purchased from Schoolblazer*
