

GLHS STADIUM CONSTRUCTION NOVEMBER 2022 UPDATE

GAHANNA-JEFFERSON PUBLIC SCHOOLS
BUILDING PRIDE
FOR OUR FUTURE **PHASE TWO**

In November 2020, voters in Gahanna-Jefferson Public Schools approved a bond and operating levy to fund Phase Two of the GJPS Master Facilities Plan. This phase includes removal of the current stadium to make way for the construction of a new Lincoln High School. The new stadium is being built to the east of the previous location.

RECENTLY COMPLETED WORK

- Disassembled and stored existing home bleachers for reinstallation on the visitor side of the new stadium
- Removal of existing light towers and cell tower
- Installation of temporary detention basin to manage storm water during construction
- Completion of the building pad for the new high school

WHAT TO EXPECT NEXT

- Excavation and installation of footers and foundation for relocation of the One Room Schoolhouse
- Installation of aggregate geo-piers for bleachers and visitor amenity building
- Installation of aggregate for the new track
- Grading and excavation for the new turf field
- Installation of underground storm piping and structures
