

June 15, 2023

Dear Students and Families,

I am sending this summer homework packet in an effort to help keep the content we have learned in working memory.

What have I included:

- CVC, CCVC, CVCC, hard g/soft g, hard c/soft c practice
- Consonant blend practice
- Digraph practice
- Long and short vowel practice
- Sight Word Practice

This summer work packet is meant to reinforce the learning that has taken place throughout the school year and it is for you to complete at your leisure. I will not be collecting this come September 2023. **However, students who take on the challenge to complete the packet, you will be rewarded for your efforts so please come see me in September with your completed packet to claim your prize!**

There is enough work to keep you busy for 4 weeks (about 4 pages daily Monday through Friday) - 6 weeks (about 2 pages daily Monday through Friday) of summer.

Should you have any questions, comments, or concerns please do not hesitate to email me at kpalma@carlstadtps.org !

Thanks so much for an incredible year and I will see you all in September!

All Smiles,
Ms. Kat Palma

What are Dolch Words?

Dolch words are the 220 sight words (plus 95 nouns) that are the most common in children's literature.

Students should be able to recognize and say these words instantly, without stopping to sound them out.

When students memorize these words through practice, their reading speed and comprehension should increase a great deal.
