POLICY 6.1: BUDGET GOALS AND OBJECTIVES

The school budget is to be organized to reflect our programs and activities to meet the stated goals and objectives of the school system.

The following time-lines are to be used by the Superintendent of Schools in presenting the annual fiscal year budget to the School Committee for its consideration.

The Superintendent shall furnish the Committee with the major activities to be carried out during the next fiscal year designed to meet the objectives of the educational programs for the next fiscal period. This material shall be presented to the Committee not later than January 15 in order to permit the administration to develop the financial structure for budget development and final School Committee approval not later than April 15 for the next fiscal period.
