**This document provides information and evidence that during the Covid-19 pandemic, the Columbia Falls School District:**

1. Safely reopened schools for in-person learning from August 2020 through December 2021,
2. Provided continuity of services to students March 2020 through December 2021,
3. Engaged in meaningful consultation with stakeholders from March 2020 through December 2021,
4. Update compliance for the District's previously adopted plan for the safe return to in-person instruction and continuity of services December 2021,
5. Will schedule future reviews and updates of all plans through September 2024,
6. Has been transparent regarding all federal funding budgets and expenditures, and
7. Moved to Phase III of Pandemic Operating Phases beginning June 9, 2021.

**March 2020 - June 2021**

1. The Columbia Falls School District was ordered to close to in person instruction on March 15, 2020, under an executive order issued by then-Governor Bullock. Districts were provided a two week period of time during which they could remain fully closed to instruction of any kind while developing a plan for remote instruction required by the Governor.
  - a. Although our district was authorized to remain closed, we quickly mobilized and began remote instruction during the timeframe when we were authorized to remain closed. Thereafter, our district continued pursuant to a reopening plan approved by the Governor beginning March 30, 2020.
2. On April 22, 2020, then-Governor Bullock lifted his Stay at Home Order, and Announced a Plan to Begin Phased Reopening of Montana. As part of that plan,

effective May 7, 2020, all schools were provided the option to return to in-classroom teaching at the discretion of local school boards.

- a. Our school district finished the 2020-21 school year through remote instruction. During the 2020-21 school year, our means of operation have included:
  - i. In person
  - ii. Offsite remote option for the entire year
3. Our district developed a plan for reopening to in person instruction, with contingencies, and we implemented that plan for the 2020-21 school year. The reopening plan, details regarding which are provided below, included adoption of various model policies provided by Kaleva Law, including model policies aligned with CDC guidance regarding mitigation strategies to limit exposure to and transmission of COVID-19 in school settings.
4. Our district finished the 2020-21 school year strong, having provided high quality learning opportunities to the students in our community in safe and effective learning environments.
5. We embraced a fundamental principle of providing extensive transparency to our community throughout the above timeframe. We publicly noticed, held meetings regarding, and provided extensive opportunities for our community to provide us with feedback regarding the School District's plans and we carefully considered such feedback in developing and refining the School District's plans throughout the last 14-15 months.

Our invitation for public input included a general opportunity for the public to provide input and was provided to everyone interested, including:

1. Students; families; school and district administrators (including special education administrators); teachers, principals, school leaders, other educators, school staff, and their unions; and Tribes; civil rights organizations (including disability rights organizations); stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.
2. In addition, School District 6 provided a survey to the school community in December 2021 to gather specific input regarding the School District 6 Safe Return to Schools and Continuity of Services Plan for Covid-19. Survey results were utilized to refine and revise our plan for the coming months.

## **Part II: Contents of The School District's plan for Safe Return to In-Person Instruction and Continuity of Services:**

1. The District has maintained the health and safety of students and staff.

Following the lifting of the Stay-at-Home Order and subsequent reopening of the state on April 22, 2020, Columbia Falls School District utilized the Governor's Plan for Reopening Safe and Healthy Schools for Montana, Reopening Montana Schools Guidance (MT OPI), Flathead City-County Health Department Guidance, Centers for Disease Control and Prevention Guidelines, Guidance for Reopening up High School Athletics and Activities, Covid -19 Planning Considerations; Return to In-Person Education in Schools from the American Academy of Pediatrics, Montana Academy of Pediatrics reopening recommendations, and Montana Public Education Center *Roadmap for Safely Reopening Montana's Public Schools Using Emergency School District Policies* and accompanying MTSBA Model Emergency Policies, as well as local health provider consultants and other sources of guidance and guidance documents. Utilizing these resources supported our district's continued service to students with transparency and accountability while ensuring the operations of the school district reflected the circumstances in our community.

The policies ensured our Columbia Falls School District Board of Trustees and school leaders honored the following priorities: quality instruction to students; a healthy and safe setting for students, staff, and the community; needed support of teachers and staff; and responsible financial and operational procedures. The policies provided an actionable plan for completing the 2020-2021 school fiscal year in a manner that met these priorities and secured district funding while providing an operational platform for considering long term innovations in the delivery of education services.

Columbia Falls School District implemented policy options that facilitated collaboration between the Board of Trustees, administrative team, employees, parents, students, health officials, and community as we established protocols aligned with CDC guidance addressing how instruction was to be delivered to students; how gatherings and events would take place on school property; how the health and safety of staff and students would be protected and preserved while schools were open; and how financial and operational functions of the school district would continue during the period of public health emergency.

Columbia Falls School District reviewed, considered, and addressed numerous areas of operation in our reopening process. On the topic of school district policy and procedures, the district considered emergency policies and procedures, adoption and amendment of policies, suspension of policies, and administrative procedures. To support students' academic, mental, social and emotional success, the district considered alternative grading, counseling, extended school year, student instruction proficiency determinations and declarations, support for particularly vulnerable students, transportation services, access to internet for students, food preparation and service, summer school and additional student instruction resources. To ensure the health and safety of students, teachers, and staff, the district considered cleaning and disinfection, community use of facilities, county board of health orders, diagnosis and confidentiality, hand washing and related hygiene protocols, telework, school closure orders, stay at home orders, symptom monitoring and isolation, travel quarantines, visitors, volunteers,

vulnerable individuals, masks and personal protective equipment, and physical distancing.

Following the *Roadmap for Safely Reopening Montana’s Public Schools Using Emergency School District Policies*, CDC guidelines, and a variety of health and educational organizations ensured Columbia Falls School District has remained in compliance with guidance and best practices provided by federal, state, or local health officials. Our school district has continued to adapt and adjust our policies as new and updated guidance and best practices have become available.

Further, the Pandemic Operational Guidance of Columbia Falls Public Schools provided options for consideration through input from our board of trustees, administrative team, employees, parents, students, health officials, and community as collaborative partners as we have worked our way through ever evolving changes due to the pandemic. By considering all possible perspectives and factors when making the decisions to adopt or adjust a policy, or to implement a policy, we focused on the health and safety of our students, staff, and community for delivery of learning and services to our students. The procedures and policies have enabled us to adjust our procedures and practices during different phases in compliance with guidance and best practices provided by federal, state, and local agencies.

Columbia Falls School District will continue to follow the procedures noted below while engaging in a quarterly reevaluation process to continue to ensure the health, safety and wellbeing of our students, teachers, staff, and community through 2024.

2. The extent to which the district has adopted policies, and a description of any such policies, on each of the following safety recommendations established by the CDC:

Topic	School District Policy Reference	Description of Policy (All referenced polices can be found at the end of this document.)	Policy Adopted and Revised Date(s)
Universal and correct wearing of masks.	8301	<b>8301</b> The School District has adopted the protocols outlined in this policy during the term of the declared public health emergency to ensure the safe and healthy delivery of education services provided to students on school property. The Pandemic Operational guidance requires face coverings for students, staff and non-staff in Phase I and II while making them optional in Phase III. The policy establishes regulations requiring face coverings as personal protective equipment, and was developed in accordance with the latest available guidance from the Centers for Disease Control and in coordination with applicable state, tribal, and local health officials.	1. 8/10/2020 2. 7/13/2021

Modifying facilities to allow for physical distancing	1906	<b>1906:</b> The School District has adopted the protocols outlined in this policy during the term of the declared public health emergency to ensure the safe and healthy delivery of education services provided to students on school property in accordance with Policy 1906, and a safe workplace when staff are present on school property, and the safety, health and well-being of parents and community members. The supervising teacher, principal, superintendent or designated personnel are authorized to implement the protocols in coordination with state and local health officials. The policy establishes regulations regarding physical distancing by requiring students, staff, volunteers, and visitors will maintain a three-foot distance between themselves and their colleagues and peers throughout the school day inside any school building, on school provided transportation, and on school property before and after school. Staff members will arrange classrooms and restructure courses, transportation services, and food service to meet this standard.	<ol style="list-style-type: none"> <li>1. 8/10/2020</li> <li>2. 11/14/2022</li> </ol> Removed all 1900 series

The principal, superintendent or designated personnel are authorized to implement the protocols in coordination with state and local health officials. These guidelines establish regulations regarding symptoms of illness, temperature screening, public awareness, and confidentiality.</p> <p>In all proceedings related to this policy, the District will respect a student's right to privacy. Although the District is required to provide educational services to all school-age children who reside within its boundaries, it may deny attendance at school to any child diagnosed as having a communicable disease that could make a child's attendance harmful to the welfare of other students. The District will rely on advice of the public health and medical communities in assessing the risk of transmission of various communicable diseases to determine how best to protect the health of both students and staff. The District will manage common communicable diseases in accordance with Montana Department of Public Health and Human Services guidelines and communicable diseases control rules. The District may temporarily exclude from school attendance a student who exhibits symptoms of a communicable disease that is readily transmitted in a school setting. The District may notify parents of other children attending a school that their children have been exposed to a communicable disease without identifying the particular student who has the disease.</p>	<p>1. 8/10/2020</p>

Diagnostic and screening testing.	8301	<b>8301:</b> The School District has adopted the protocols outlined in the Columbia Falls School District Pandemic Operating Guidelines during the term of the declared public health emergency to ensure the safe and healthy delivery of education services provided to students on school property and a safe workplace when staff are present on school property and the safety, health and well-being of parents and community members. All students and staff were screened upon entry to district facilities. The policy establishes regulations regarding symptoms of illness, and temperature screening.	1. 8/10/2020
Efforts to provide vaccinations to school communities		Vaccination locations and times were announced to staff and families in multiple venues when they were available to the public. Please note that House Bill 702 passed the 2021 Legislature and was signed into law effective May 14, 2021. New Section 1 of that law provides that it is an unlawful discriminatory practice for a governmental entity to refuse, withhold from, or deny to a person any local or state services, goods, facilities, advantages, privileges, licensing, educational opportunities, health care access, or employment opportunities based on the person's vaccination status. The law also provides it is unlawful for an employer to refuse employment to a person, to bar a person from employment, or to discriminate against a person in compensation or in a term, condition, or privilege of employment based on the person's vaccination status. Finally, House Bill 702 provides it is unlawful for a public accommodation to exclude, limit, segregate, refuse to serve, or otherwise discriminate against a person based on the person's vaccination status.	
Appropriate accommodations for children with disabilities with respect to health and safety policies.	1906	<b>1906:</b> The Board of Trustees authorizes the supervising teacher or district administrator to provide Policy 1906 to families requesting to opt-out of onsite instruction at the school facility for the duration of the declared public health emergency. Students of families opting out of onsite instruction at the school facility shall receive offsite, online, and proficiency-based instruction, or any combination of the foregoing at the discretion of the School District in accordance with District Policy 1906. Students of families opting out of onsite delivery shall be treated the same as students instructed at the school facility for purposes of grading, discipline, and other educational rights.	1. 8/10/2020 2. 11/14/2022 3. **June 2022**

**Part III – Updated Compliance for the District’s Previously Adopted Plan for the Safe Return to In-person Instruction and Continuity of Services:**

For the 2021-22 school year, the Columbia Falls School District also

- Provided a school nurse for each building to assist with the ongoing health needs of students and staff.
- Provided extra compensation for additional staff support for on-site and remote learners.
- Implemented budgeting and funding for CRF, ESSER I, ESSER II, and ESSER III funds.
- Provided numerous virtual professional development learning opportunities.
- Coordinated regularly with state and local health officials.
- Provided both remote and in person parent teacher conferences.
- Met all special education Child Find obligations through screening that incorporated Covid-19 protocols.
- Provided remote learning options for students in the school district.
- Provided Covid-19 leave for all staff working in the school district.
- Utilized funding for long term technology and HVAC upgrades.

**Engaged in Meaningful Consultation with Stakeholders from March 2020-June 2023**

Section 2001(i)(3) of the ARP Act states that a school district that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (*i.e.*, is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The School District’s plan meets the requirements of Section 2001(i)(1) and (i)(2) of the ARP Act. The School District’s plan is available on our website and, as noted above, was developed through a process that included extensive public comment. Further, we have, as part of the organization of the School District’s plan for purposes of the ARP Act, revised the School District’s plan at a meeting held on June 14, 2021 that included not just a notice of opportunity for public input but which invited meaningful consultation with and input from:

1. Students; families; school and district administrators (including special education administrators); teachers, principals, school leaders, other educators, school staff, and their unions; and tribes; civil rights organizations (including disability rights organizations); stakeholders

representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

We have considered the input of all affected parties and have carefully deliberated regarding the best possible means by which our district can provide safe effective learning environments for each of our students.

- Sent 170 COVID-19 Email Updates to Families and Staff and posted updates on district website
- Noticed, held, and invited public comment on our evolving plans for a safe return to school and continuity of services since March 2020
  - Our invitation for public input included a general opportunity for the public to provide input and was provided to everyone interested, including
    - Students, families, administrators (including special education administrators), teachers, principals, school leaders, other educators, school staff, and their unions, and
    - Civil rights organizations (including disability rights organizations), stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.
  - Held 27 public board meetings

Specific COVID-19 actions or discussions were held at the following meetings: 7/13/2020, 8/10/2020, 9/14/2020, 10/12/2020, 11/9/2020, 12/14/2020, 1/11/2021, 2/8/2021, 3/8/2021, 4/12/2021, 5/10/2021, 6/14/2021, 7/12/2021, 8/9/2021, 9/13/2021, 10/11/2021, 11/8/2021, 12/13/2021, 1/10/2022, 2/14/2022, 3/14/2022, 4/11/2022, 5/9/2022, 6/13/2022, 7/11/2022, 8/8/2022, 9/12/2022, 10/10/2022, 11/14/2022, 12/12/2022, 1/10/2023, 2/13/2022, 3/13/2022, 4/10/2023, 5/8/2023, 6/12/2023

- Participated in Numerous Staff Communications
  - Emails, Phone Calls, In-Person Meetings, Email Updates, Staff Meeting Updates, District Leadership Team Meeting Updates, Administrative Team Meetings.
  - Solicited Requests for COVID-19 Related Needs: Efforts to prevent, prepare for, and/or respond to COVID-19 in any way (mitigation, instructional needs, etc.)
- Participated in Numerous Parent/Guardian Communications
  - Emails, Phone Calls, In-Person Meetings, Virtual Meetings
- Sent a survey to all parents and guardians regarding the district's actions and parental/community concerns for further district actions.
