QUARTER IV- 2023

MESSAGE FROM ADMINISTRATION

As we plan for next year, we wanted to reach out to you and let you know about some changes with our daily schedule. You may recall that we sent out a survey in January seeking input from families regarding our daily schedule, and we sent our students a survey as well. We had a scheduling committee that took a look at that information, as well as additional student data regarding courses and graduation rates, and developed a daily schedule that we anticipate will better meet the needs of our students.

We know that for students to have academic success in a Proficiency system, we need to provide additional focused support time; those opportunities include AM block access to teachers, Advisory (now called "What I Need" or WIN), Crimson Block (at the end of the day), and an expanded targeted support session (on Wednesdays).

We also know that students have a greater chance of success, both academic and personal, when they feel a sense of belonging in their school and community, which is why we have intentionally built in opportunities for connection.

When you look at the schedule for the Fall, you will see that class time for Blocks 1-4 has remained the same four days a week. We still have two bands of support time (WIN) in the middle of the day, as well as offering courses during AM Block. Progress Reports will still be generated every three weeks.

Stay tuned for more information in the Fall mailing.

Honoring Those Who Served

JROTC Color Guard participates in the annual Memorial Day service at the Vermont Veteran's Memorial Cemetery in Randolph.

BE IN THE KNOW
Fall Sports Tryouts 1st Day is on August 14th for Football & August 17th for all other Fall sports.

Contact Derek at dciprshs@buusd.org for further information and/or needs.

Click on this [link](#) for Fall Sports Registration and/or reach out to Chelsea for any further questions.

Summer Reading For those who need the documents for their novel, please click on this [link](#).

Washington County Mental Health For those who may need additional supports over the Summer, please call (802) 229-0591.

Course Registration and Questions, please contact Miss Ryan at aryanshs@buusd.org.

Freshman Orientation
Wednesday, August 30th

1st Day of School for Everyone Thursday, August 31st.

SPOTLIGHT ON OUR COMMUNITY MEMBERS

Hard work, dedication, and resilience are three words that come to mind in this year's Valedictorian, **Angelique Macie**. For Angelique, "Mr. Hoffman was one of the first educators I met who saw I had potential and he pushed me to use that by enrolling in academically challenging AP Courses, especially during COVID times. He knew I could handle it and never doubted me, only encouraged me to do my best." In turn, Angelique knows she and her peers are capable of anything as long as "we put the time and effort into things." She encourages her peers to understand one's "education does not end here. Every day of our lives from this point on we will continue to learn and to grow. We will make

mistake along the way and that is okay." This is something that she reflects upon herself as a learner and being able to accomplish anything that she puts her mind to. She's excited to attend *University of Vermont* in the Fall.

Like Angelique, **Madison Ashford** was quite humbled by the honor of being Salutatorian knowing that all her peers also worked incredibly hard, especially during COVID times. "I challenged myself, I challenged myself to do more, work harder, and even try a new sport." She credits with all the running and sprinting within cross country that she thrived within a supportive community not only as an athlete, but a leader. "I found myself being a mentor to others and surprisingly enjoyed this role after leaving soccer for cross country." Madison offers advice to her peers to "find something that motivates you to do well," along with "shouldering the responsibility of being a good community member." For her next challenge, she is pursuing a degree in nursing at *University of Virginia*; "her dream school" and notes, "I am so appreciative of being a recipient of the *Dr. Reynold's Scholarship*; just thank you."

We are excited to announce that **Ryan Dunlea** is *Spaulding High School's* recipient of *Teacher of the Year*. He will be recognized in the Fall at *University of Vermont* (UVM) and participate in the annual *Outstanding Educators' Day* at UVM.

According to various nominations from faculty, staff, students, and parents/guardians, "Mr. Dunlea is a dynamic teacher who has developed a tremendous rapport with his students;" an example of this is how he greets them with enthusiasm as they enter the classroom or pass them in the hallway. Another example of his ability to foster relationships and provide a successful learning environment with his students was echoed by a student submission. In the submission it stated, "this teacher has always been supportive and he's there if I need help with anything. He is one of the reasons I'm able to graduate this year." In turn, congratulations, Dunlea! fondly referred to in school for believing in our students and making Math fun.

"Yeah You're Here" are only the beginning words that leap out of **Mrs. Bonoyer** when students enter her classroom.

For many, students and adults alike feel welcomed, supported, and valued for who they are and for these qualities, **Tracy Bonoyer** has been recognized as *Outstanding Staff Person of the Year*. In one nomination, the individual stated, "Tracy is a kind, hilarious, and inspiring member of the community who has created a space in Tide Pool for students to feel safe, seen, and supported. No one ever leaves that room without feeling better about their day, saluted on their way out with gratitude for "coming to school today."

More importantly, many are in agreement that Mrs. Boyoner "goes above and beyond" every single day to make sure our students have what they need to succeed. She consistently greets students and colleagues alike with a welcoming smile. And she is an invaluable asset to the SHS community.

Congratulations and thank you for everything that you do!

Every Spring, the Congressional Art Competition invites students to submit a piece of artwork to their state representative that can be showcased at the national level; if selected.

For this year, we applaud **Abigail York**, Class of 2024 who submitted an image from Digital Photography to Senator Welch's office.

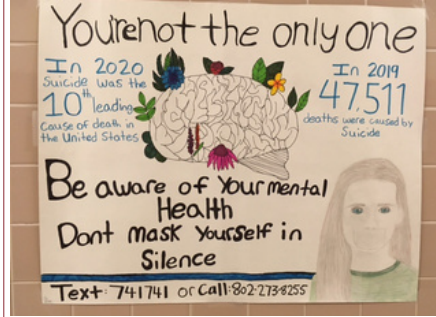

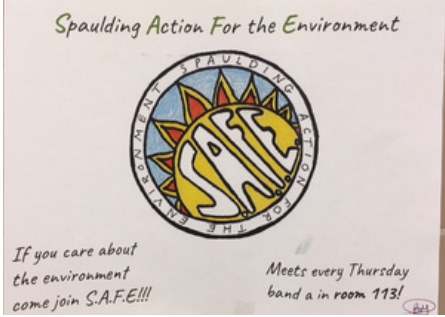

Her Art Teacher, **Ms. Berg** noted "Abby is not only a talented photographer, she explores a variety of media. Abby runs her own jewelry making business. She is bold, putting herself out there and sharing her creativity and artwork with others."

Doing what I love, what I am interested in, and what I want to do are important to members of Spaulding High School.

The generosity of *Spaulding High School* alumni, service organizations, members of our community, local businesses, and other friends of *Spaulding* have played a pivotal role in terms of supporting the aspirations of our graduating Seniors who are enrolling in a 2 year or 4 year post secondary institution.

They have enabled the *Spaulding High School Scholarship Trust* which includes **David LaCroix, Norma Malone, Lynn Guy, Mike Davis, and Susan Poczubot** to manage a variety of funds in order to issue over \$674,000 dollars in scholarships.

In an interview dated from 2021 with **Mrs. Mya Violette**, the *In House Scholarship Committee Chair* noted that she is very cognizant of the significance of earning a scholarship and as she noted, "life changing."

As an alum of *Spaulding High School*, she was a recipient of a scholarship that enabled her to attend *Trinity College* in Burlington, Vermont. For without it, she noted, "I might not have been able to attend *Trinity College*; it definitely opened a door and I took it."

As she fondly reflected upon her own Senior year in high school and the generous support of alumni and friends of *Spaulding* in terms of investing in the Senior Class. In particular, Mrs. Violette wanted to recognize this year the late **Norman Beck** and **Celina Beck** for their kindness and generosity in regards to their late granddaughter, **Amy Hilferty** who was was tragically killed by a lightning strike several days before her graduation in the mid 1990s.

Amy was an outstanding student. She excelled in academics, athletics and the performing arts. Amy is remembered for her warm personality, her generosity of spirit, and her ability to experience life to its fullest. She was beloved by teachers, staff members and her peers, and touched the lives of many residents in our local communities. Thus the *Amy Hilferty Scholarship* was established by her grandparents. For this year, the committee chose Charlotte Young, "specifically for this scholarship because she best represented the same trifecta that Amy did - academics, athletics, and the arts."

To view the virtual presentation of In House Scholarships from this past June, please click on this [link](#).

For more information on the *Scholarship Trust*, please feel free to contact Mr. David Lacroix, *Spaulding Alumnus, Class of 1973* at lacroixdavid05@gmail.com.
